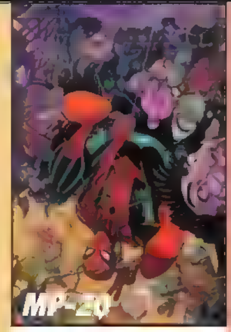
Hellboy in Brazil!

A grim situation in South America leads a young *Hellboy and the B.P.R.D.* to uncover unspeakable horrors in the shadow of a sixteenth-century Portuguese fortress...

The Primate Directive!

What could possibly cause Captain Kirk and the crew of the *Enterprise* to side with Dr. Zaius to protect Ape City? And what does Colonel George Taylor have to say about it? Find out in the sci-fi crossover nobody expected!



Peter Parker: Spider-Counselor?!

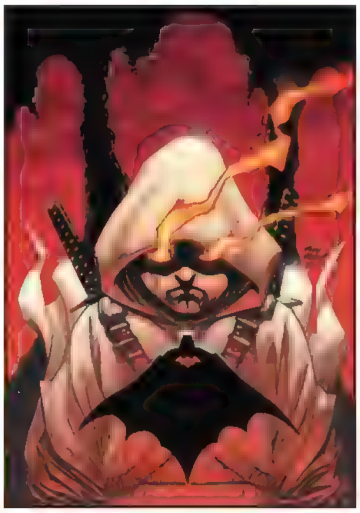
Meet the Jean Grey Academy's new guidance counselor: *Spider-Man*! What's a non-mutant doing at a school for mutants?! Plus: Sauron and Stegron, a villain team of prehistoric proportions!

COVERstory

ROBIN RISES: ALPHA #1

DC Comics

It all ends here! Batman's been to the hells of Apokalips and back just to retrieve his son's body. But what has he brought back with him? And who is the new Robin? You'll get some of those answers in this special issue, written by Peter J. Tomasi, with art by Andy Kubert and Jonathan Glapion!



MARVEL SELECT: CABLE ACTION FIGURE

Diamond Select Toys

Over the years, DST has brought us many exciting action figures in their Marvel Select line, with many mutants being represented. Finally, the mystery man from a dark future, Cable, is now a member of the Marvel Select team! Looking as if he was ripped from the very cover of *New Mutants* #87, Cable is ready to lead his mutant brethren in combat!

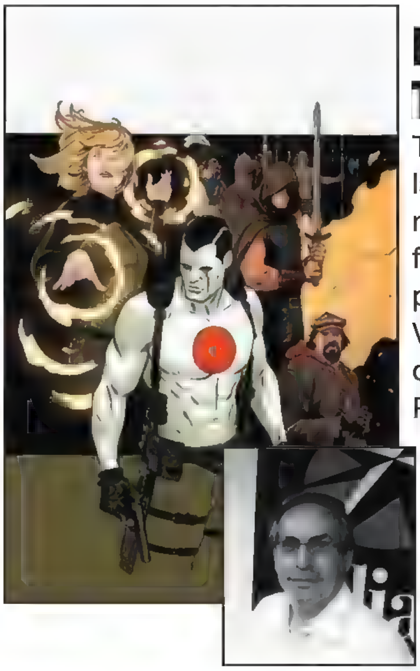
ISSUE 313 (VOL. XXIV #10)
OCTOBER 2014

FEATuresFEATuresFEATuresFEATuresFEATures

In this issue: SCI-FI & FANTASY (and HORROR)!

The comics have long been mining the twin genres of Sci-Fi and Fantasy for decades, and that is still the case today, with dozens and dozens of strong, well-written, masterfully illustrated graphic adventures released every month. To celebrate the Sci-Fi and Fantasy genres (and Horror, too!), we've peppered this issue with some great titles, new and classic, that would make just about any fan's recommended SF/F reading list. Any of these selections will make for a perfect "great escape" for those crisp fall evenings, just look for the SF/F icon throughout this issue!



FS-1 ENTER: THE VALIANT!

This December, Valiant Comics launches *The Valiant*, and all-new series steeped in science fiction and fantasy elements; a perfect introductory series to the Valiant Universe of characters. In our exclusive interview, Valiant Publisher Fred Pierce took discusses this upcoming series, the story arc that it creates, and the far-reaching ramifications it will hold for the Valiant Universe moving into 2015!

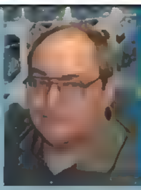
HALLOWEEN HULLABALLOO!



EDITOR'S *note*

Greetings dear readers, as I write this it's September 3rd, 2014, and October is still nearly a month away. Having already listed our Halloween wares earlier in the summer (remember, we do everything early here at ***PREVIEWS***!) it's all we can do to wait for October 31st to arrive. But right now, it's still hot outside, and Autumn is just a few weeks away…

So, in addition to Halloween and all the trappings that accompany its arrival, we have so many things to look forward to this month. For one thing, we'll have two zombie TV series to enjoy—SyFy's *Z Nation* (which launches Sep. 12th) and the return of AMC's *The Walking Dead* a month later on Oct. 12th. If you're not burned out on zombies, then it's a good time to be a fan!

Elsewhere in this issue, we feature our Halloween Comic Fest line-up of titles one final time. Hopefully you got your orders in early if you plan on giving out comics instead of (or in addition to) candy. If you missed the boat, there still may be time to stock up! Check with your retailer for bundles they might be offering for sale, or whether they can reorder them from us. The earlier you strike, the better your chances of getting them on time for Halloween night.

Also in this issue, we celebrate SCI-FI/FANTASY Month (with a sprinkling of HORROR for good measure), pointing out some great new and classic titles that take you to new lands and weird worlds. And on our *FlipSide* Valiant publisher Fred Pierce discusses the latest title from the resurrected line, *The Valiant*. It looks to be filled with plenty of action, of the sci-fi and fantasy type, and is also a great introduction to the line.

That does it for me this month. Enough with the *chittah chattah*… head on into this issue and check out all of the cool stuff we have for you this month!

Your Pal @ ***PREVIEWS***,

Marty

USER'S guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

What is *PREVIEWS*?

OCT 2014
PREVIEWS
ROBIN RISES ALPHA
Written by PETER J. TOMASI
Art by ANDY KUBERT, JONATHAN GLAPION and BRAD ANDERSON

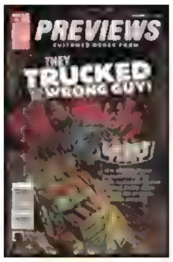
PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:



1 Use the Short Order Form.
Fill in with the items you'd like to order from this issue.

2 Ask for the companion Customer Order Form.
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3 Ask your retailer about their "Pull & Hold" service.
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

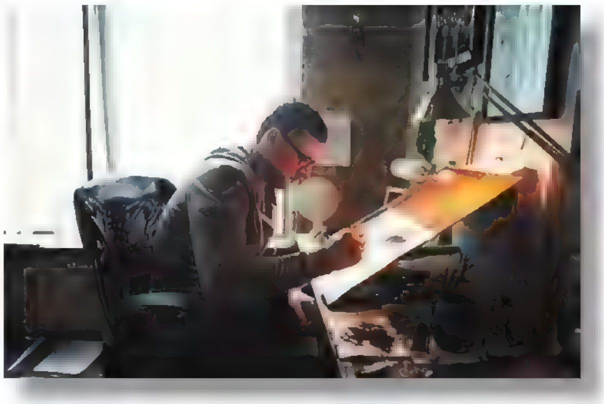
This month's featured creators is...

JEFF LEMIRE



New York Times Bestselling author **Jeff Lemire** is the creator of the acclaimed graphic novels *Sweet Tooth* (AUG108007), *Essex County* (FEB098164) and *The Underwater Welder* (JAN128076), as well as the sci-fi love story, *Trillium* (MAY140407). His next original graphic novel will be *Roughneck* from Simon and Schuster.

Jeff is also a prominent writer for DC Comics where he currently writes the monthly adventures of *The Justice League United*. He has also written the monthly adventures of *Animal Man*, *Green Arrow* and *Superboy*, among many others.

In 2008, and in 2013, Jeff won the Schuster Award for "Best Canadian Cartoonist". He has also received The Doug Wright Award for "Best Emerging Talent" and the American Library Association's prestigious Alex Award, recognizing books for adults with specific teen appeal. He has also been nominated for 8 Eisner awards, 7 Harvey Awards and 8 Shuster Awards. In 2010 *Essex County* was named as one of the five *Essential Canadian Novels of the Decade.*

He currently lives and works in Toronto with his wife and son.

Jeff Lemire, in his own words... *I'm a cartoonist and comic book writer from Toronto, Canada. I've written and drawn a number of books including the graphic novels* Essex County *and* The Underwater Welder *for Top Shelf, and* Trillium *and* Sweet Tooth *for Vertigo. I've also written a lot of super-hero comics for DC.*

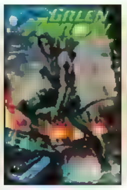
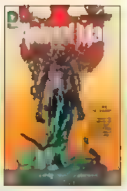
ESSEX COUNTY

Sweet Tooth Vol. 1: Out of the Woods TP (AUG108007)

Trillium TP (MAY140407)

The Complete Essex County TP (FEB098164)





What are your favorite projects you've contributed to over the past decade?
Essex County and *Sweet Tooth* remain my favorite things that I've written and drawn myself. Of the mainstream super-hero work that I've done, I'm most proud of my runs on *Animal Man* (FEB120247) and *Green Arrow* (DEC130306) for DC, as well as the work I'm doing now for Valiant, which I think is some of my best.

What are you currently working on?
In addition to *The Valiant*, I am currently working on a number of new projects including *Descender*, a creator-owned sci-fi series with Dustin Nguyen for Image; *Black Hammer*, a creator-owned book with Dead Ormston for Dark Horse; and *Roughneck*, an original graphic novel that I am writing and drawing for Simon and Shuster due out in 2015.

What fun titles are you reading right now?
I am loving a lot of Valiant's books, especially *XO-Manowar* (AUG131497), *Rai* (AUG141740) and *Harbinger* (SEP131373). I also love *Saga* (AUG120491), *Manhattan Projects* (JUN120470), *American Vampire* (JUL110284), *Southern Bastards* (JUL140517), *Lumberjanes* (APR148175), *The Bunker* (MAR141297), *Mind MGMT* (DEC120059), and *The Woods* (JUL140953).

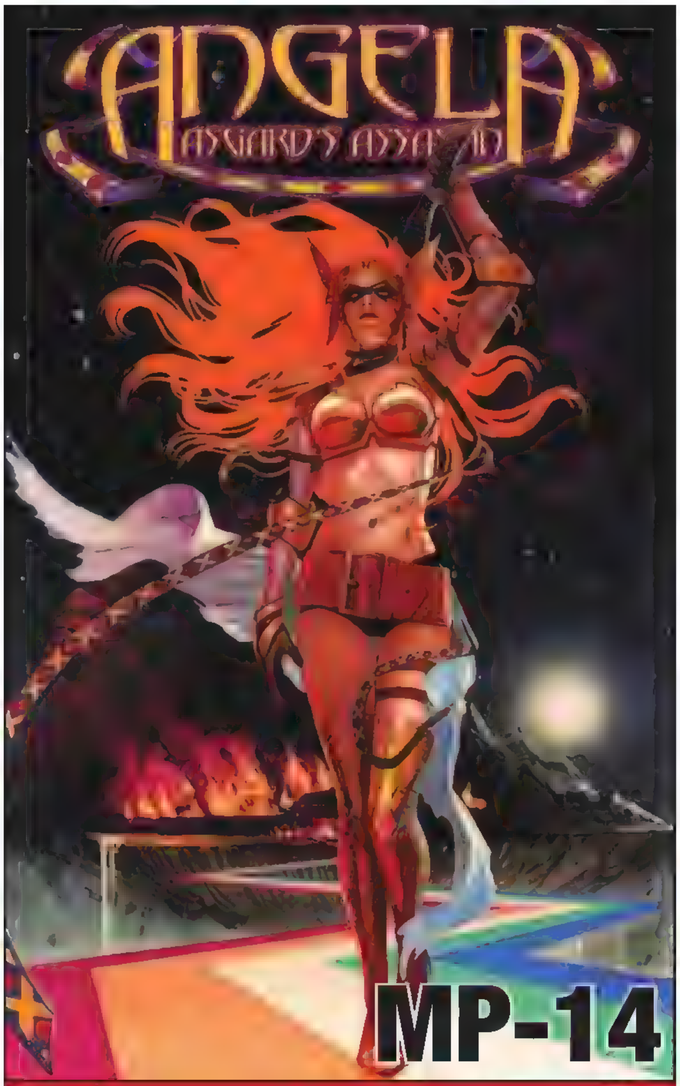
THERE IS A NEW FORCE TO BE RECKONED WITH ON THE COSMIC STAGE – ANGELA!



MARVEL *PREVIEWS*, $3.99, 32 PAGES, PAGE 14

The mystical realm of Asgard has been rocked by the revelations of *Original Sin* — Thor Odinsson is no longer worthy to wield the enchanted hammer Mjolnir, a new and mysterious wielder carries the hammer as the new Thor, a tenth realm amongst the Nine Worlds has been revealed, and one of the greatest warriors of that tenth realm, Heven, is none other than Odin's daughter and Thor's sister — Angela! Spinning out of the pages of *Guardians of the Galaxy* and *Original Sin*, Angela graduates to a new ongoing series and embraces a new role in *Angela: Asgard's Assassin!*

Angela had been trained from her infancy to be the finest warrior of Heven, believing herself to be Hevenborn and Asgard's implacable enemy. But with the truth of her origins revealed in *Original Sin,* she has been cast from the realm that was her home and all she has known. Left to her own devices and struggling with the truth of her own identity, she must forge her own path. Unwanted by Heven and wanting nothing to do with Asgard, Angela soon discovers that, as an unaffiliated player on the cosmic stage, her unique talents for the hunt and the kill will be sought after and put to use quite unofficially!

Kieron Gillen returns to the cosmic realm of Asgard with cowriter Marguerite Bennett and artists Phil Jimenez and Stephanie Hans for *Angela: Asgard's Assassin*. Gillen and Bennett chronicle the development of a troubled character as she finds her place in the Marvel Universe, discovers the characters fans have known for years and sees them through new eyes, and comes to grips with her heritage. Jimenez and Hans split the art duties, with Jimenez illustrating Angela in the world of reality and Hans illustrating Angela in the world of myth. The result is a comic that is both grounded and mythic, making *Angela: Asgard's Assassin* one of the most unique super-hero comics on the market!

Angela's journey of self-discovery through the Marvel Universe begins this December in *Angela: Asgard's Assassin!* Join her!

CAST OUT OF HEVEN, NOW THE DAUGHTER OF ASGARD, THE ANGELIC ANGELA MUST FIND HER OWN PLACE IN THE COSMOS!

Two science-fiction franchises unexpectedly collide as IDW Publishing and BOOM! Studios join forces for *Star Trek/Planet of the Apes: The Primate Directive!*

Captain Kirk and the crew of the *Enterprise* have encountered many strange worlds and civilizations in course of their five-year mission. Perhaps nothing could have prepared them for the discovery of an alternate earth — an Earth dominated by intelligent apes after the collapse of human civilization. With the Klingons causing trouble, and time-lost astronaut Colonel George Taylor fighting back against Earth's ape overlords, Captain Kirk and his crew must decide how the Prime Directive affects this mission!

Star Trek/Planet of the Apes: The Primate Directive is written by *Star Trek/Doctor Who: Assimilation 2* writers Scott and David Tipton and features artwork from newcomer Rachael Scott along with covers from Juan Ortiz and George Perez. *Star Trek* and *Planet of the Apes* are both nearing their fiftieth anniversaries, and now they combine for the most unexpected mission of the starship *Enterprise* yet!

Five women are sentenced to the toughest prison in the universe. Four of them are guilty as sin. One should never have been convicted. Now, they're inmates with a single goal — escape from the all-women penal planet — in the new series from Kelly Sue DeConnick, Image Comics' *Bitch Planet!*

DeConnick wanted to explore the "Women In Prison" exploitation storytelling trope, and teamed with artist Valentine De Landro, she promises a campy and kick-ass sci-fi series. The five women concoct a plan — they will best five visiting male prisoners as part of a gladiatorial exhibition — but will they pull it off?

A NEW DOCTOR MEANS A NEW SONIC SCREWDRIVER

494

The new season of *Doctor Who* premiere on BBC America on August 24th and garnered the series' highest ratings yet for the episode that debuted Peter Capaldi as the twelfth Doctor. Underground Toys brings fans and collectors the *Doctor Who: The Twelfth Doctor's Sonic Screwdriver*, a replica of the Doctor's trusty sonic screwdriver as wielded by Capaldi's Doctor in the eighth season. Complete with battery-operated lights and sound effects, the *Twelfth Doctor's Sonic Screwdriver* is an accessory no TARDIS traveler can do without!

THE ARROW STATUE

147 THE ARROW STANDS AGAINST THE FORCES OF EVIL WITH A NEW STATUE

Arrow returns for its highly anticipated third season on The CW this fall, promising a battle between the Arrow and Ra's al Ghul for the fate of Starling City. For fans of the series, DC Collectibles offers *The Arrow Statue*, sculpted by Gentle Giant and featuring a likeness of Stephen Amell as the Arrow. Standing 13" tall, the Arrow wears a mask over his face, has his hood pulled low, and carries the bow he used in the second season. Starling City needs defenders, and *The Arrow Statue* stands ready!

MARVEL SELECT: CABLE ACTION FIGURE

442 X-FORCE LEADER CABLE JOINS THE *MARVEL SELECT* LINE

Big guns and big shoulder and thigh pouches! Cable -- the creation of Rob Liefeld, the leader of X-Force, and one of the defining characters of the 90s -- joins Diamond Select Toys' Marvel Select line! The cyborg son of Cyclops comes equipped with his signature weapons, and he can hold them in his hands or mount them to his shoulder! Standing 7" tall, Cable is ready to battle any enemy who threatens mutantkind with the Marvel Select: Cable Action Figure!

473

BACK TO THE FUTURE PART III TIME MACHINE

473 RIDE THE RAILS WITH MARTY MCFLY IN THE WILD WEST

Stranded in the year 1888 with a busted time machine, Marty McFly and Doc Brown had to find a way to accelerate the vehicle up to 88 miles per hour to send it hurtling through time. Modifying the vehicle to operate on railroad tracks, the iconic time machine was given a proto-steampunk look in *Back to the Future Part III*, and now you can build one to call your own with Round 2's *Back to the Future Part III Time Machine 1/25-Scale Model Kit!*

DANCE THE NIGHT AWAY WITH THE *POP! DANCING GROOT* 507

Audiences went wild this summer for Marvel Studios' *Guardians of the Galaxy*, making it the top-grossing movie of the year and embracing the quirky cast of characters. Especially beloved by audiences was Groot, the walking, talking tree, and fans have demanded a figure or toy of the Dancing Groot from the film's closing scenes. Funko delivers with the *POP! Guardians of the Galaxy: Dancing Groot Vinyl Figure*, a 3 3/4" tall figure of the spriglet Groot, complete with his flower pot. Complete your *Guardians* collection with the Dancing Groot!

TAKE *FROZEN'S* OLAF WITH YOU WHEREVER YOU GO 510

Frozen, the tale of two sisters and their love, has become an instant classic and one of Disney's best-loved films in the year since its release. Olaf, the living snowman from the film, was beloved by audiences for his comic relief presence, and now he can accompany you anywhere you go with the *Frozen: Olaf Plush Backpack!* This plush Olaf stands roughly 2 feet tall and straps to your back. He also has a small zipper pocket in which you can store tiny items and toys!

LEGEND OF KORRA:
AANG MEMORIAL STATUE

On sale Jan 28

Base is 6" in diameter, Aang is 9" tall, the staff is 11" tall

$149.99

In *Legend of Korra*, an enormous metal statue is located on a small island off the shores of Republic City. It depicts a teenage Aang dressed in traditional Air Nomad attire. In the figure's left hand is a staff featuring the airbending symbol on its upper end. The figure's left foot rests on a slightly higher surface in the form of a lotus flower. The pedestal on which its other foot stands is octagonal in shape, with upturned tips at each vertex surrounded by railings.

Dark Horse Deluxe, in coordination with Nickelodeon and the *Avatar* and *Korra* creators, has exactingly reproduced this piece as a hand-painted limited-edition collectable. Edition size TBD at press time.

The fifth chapter of the greatest adventure in DC Comics history is here!

Acclaimed for their collaborations on BATMAN AND ROBIN, SEAGUY and SEVEN SOLDIERS OF VICTORY: THE MANHATTAN GUARDIAN, superstar writer Grant Morrison and renowned artist Cameron Stewart deliver some magic to THE MULTIVERSITY with a breathtaking journey to Earth-5 – A.K.A. Thunderworld!

With a single word, Billy Batson transforms from boy reporter for Whiz Media into the world's Mightiest Mortal – Captain Marvel! Along with the other members of the Marvel Family, Captain Marvel battles dastardly villains like Mr. Mind and the Monster Society of Evil! But now, his greatest foe has attacked the Rock of Eternity – the source of the Marvel Family's power – and it could mean the end of reality as we know it!

What impossible villains are Sivana teaming up with who could spell doom for the Multiverse? From where did Sivana's children get their newfound super powers? And what does the appearance of one mysterious comic book mean for the heroes of Thunderworld?

Find out all that and more in this exciting issue that acts as chapter five of THE MULTIVERSITY.

The residents of an isolated rural area discover superhuman – and supernatural – power in their midst in this title collecting the hit 6-issue miniseries. The power stops at the county line, but inside the afflicted area, something ancient and malevolent stirs as new monsters arise. Can Wyatt, an unlikely hero from the wrong side of the tracks, join forces with Sheriff Morgan and town outcast Amanda to keep the county from imploding or being eaten by mighty Cthulhu?

SCALPED DELUXE EDITION BOOK ONE HC

Written by JASON AARON • Art and cover by R.M. GUERA

On sale FEBRUARY 18 • 272 pg, FC, 7.0625" x 10.875", $29.99 US • MATURE READERS

The first eleven issues of the acclaimed series are collected in hardcover for the first time! Dashiell Bad Horse has come home to the reservation armed with a set of nunchucks, a hell-bent-for-leather attitude and a dark secret. But nothing has changed – except for the glimmering new casino, and a once-proud people overcome by drugs and organized crime. Includes sketch material by artist R.M. Guera.

ABSOLUTE TRANSMETROPOLITAN VOL. 1 HC

Written by WARREN ELLIS • Art by DARICK ROBERTSON, RODNEY RAMOS and others • Cover by GEOFF DARROW • **Advance solicit**

Advance solicit • On sale April 22 • 512 pg, FC, 8.25" x 12.5", $125.00 US • MATURE READERS

Collecting the first 21 issues of Warren Ellis's dystopian masterpiece! After years of self-imposed exile, cynical journalist Spider Jerusalem is forced to return to a job that he hates and a city that he loathes. Working as an investigative reporter for the newspaper The Word, Spider attacks the injustices of his surreal 21st century surroundings.

THE UNWRITTEN: APOCALYPSE #12

Art by PETER GROSS
Cover by YUKO SHIMIZU

On sale DECEMBER 17 • 40 pg, FC, $4.99 US
MATURE READERS • FINAL ISSUE

"And I awoke, and found me here..."

Wilson Taylor delivers the apocalypse the only way he knows how: at his son Tom's expense. It's the end of the world as we know it. But there's no need to worry because it's just a story. Isn't it?

Don't miss the extra-sized conclusion to the fan-favorite Vertigo series!

JOHN ROMITA'S AMAZING SPIDER-MAN ARTIFACT EDITION

Stan Lee (w) • John Romita (a & c)

BW • 200 Pages • 15" x 22"
ISBN: 978-1-63140-238-8

$ Please Inquire

This is it, the **John Romita** Spider-Man book fans have been waiting for–nearly 200 pages of prime **John Romita** Spider-Man art from his earliest days on the title, and every single one is scanned from the original art! This over-sized (it's as big as the recent *STERANKO Artist's Edition*) book showcases the absolute peak of Romita's tenure on *Amazing Spider-Man* from his first 15 issues (#39 - #53), and all are twice-up pages–this one is an enormous 15" x 22" tome!

WHAT IS AN ARTIFACT EDITION?

ARTIFACT EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art–for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

Dave Sim is one of the most important cartoonists in comics history. His groundbreaking *Cerebus* ran for 300 issues, each written and drawn by Sim–a monumental achievement! Now, through IDW Publishing, Sim's beautiful covers are reproduced in an archival over-sized hardcover, and many of the illustrations have been scanned from Sim's personal collection of his original art. Also collected are roughs, color guides, sketches, and other historical images that chronicle this very important artist's creative process.

CORTO MALTESE: UNDER THE SIGN OF CAPRICORN

Hugo Pratt (w & a & c)

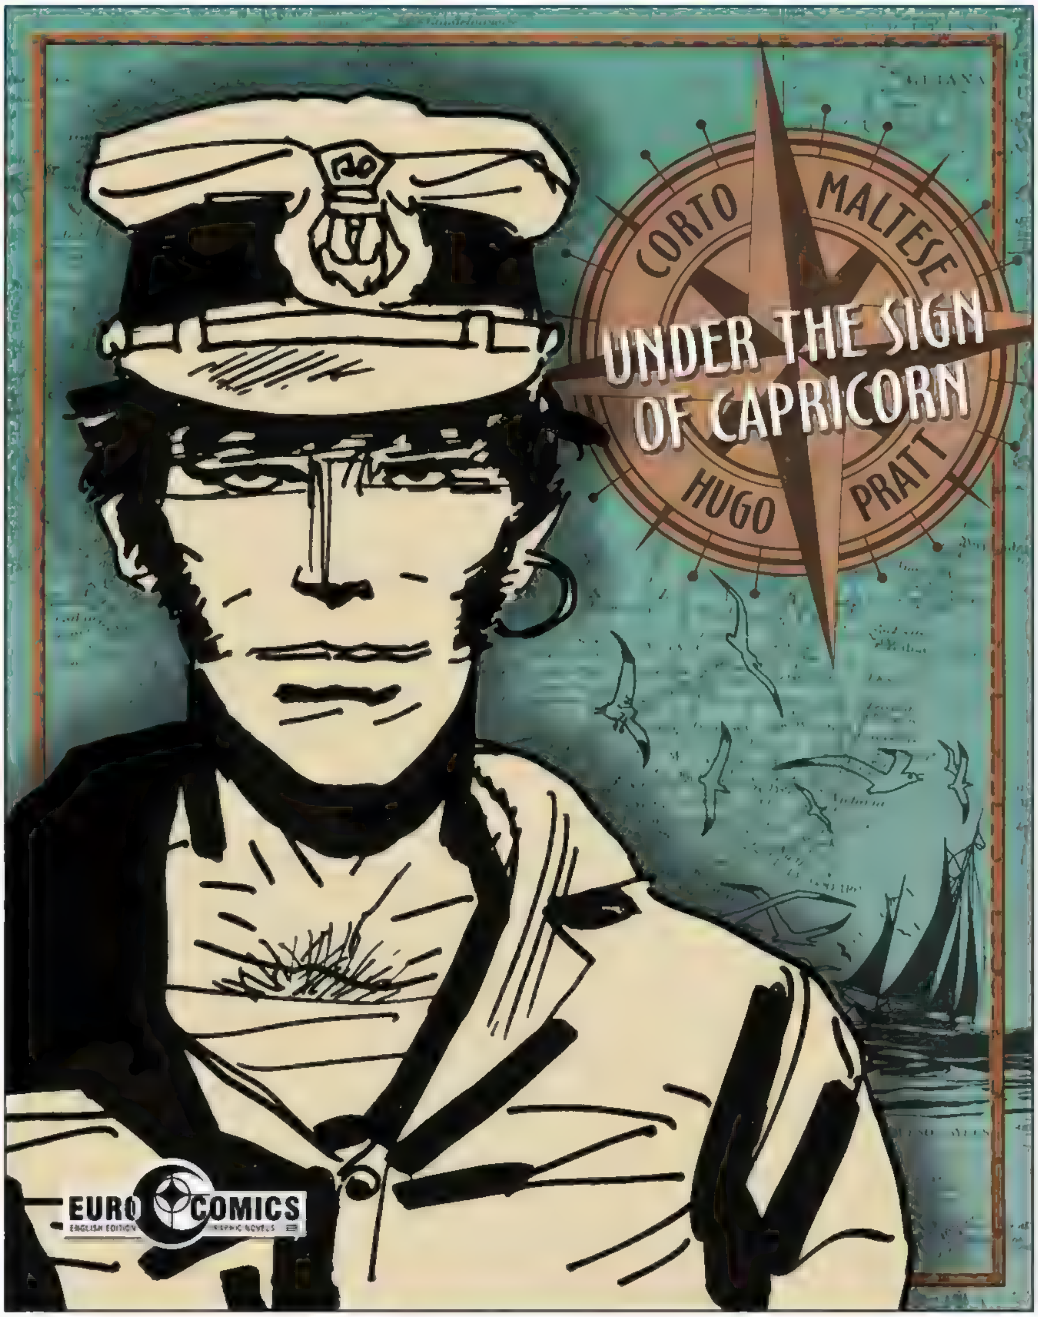
B&W • 140 pages • 9.25" x 11.625"
ISBN: 978-1-63140-065-0
$29.99

This book, the **first of 12 volumes**, launches the definitive English-language edition of **Hugo Pratt**'s masterpiece, presented in the original oversized B&W format with new translations made from Pratt's original Italian scripts.

Long before the term "graphic novel" entered the popular lexicon–ten years before **Will Eisner**'s *A Contract with God*–Hugo Pratt pioneered the long-form "drawn literature" story. *Corto Maltese* set the standard for all adult adventure comics in Europe. By the mid-1970s, *Corto* was the continent's most popular series and **Hugo Pratt** the world's leading graphic novelist.

Hugo Pratt's peripatetic sailor was featured in a series of 29 stories. The adventures of this modern Ulysses are set during the first 30 years of the 20th Century in such exotic locales as Pratt's native Venice, the steppes of Manchuria, the Caribbean islands, the Danakil deserts, the Amazon forests, and the waves of the Pacific.

Corto Maltese: Under the Sign of Capricorn collects the first six inter-connected short stories Pratt created in France in the early 1970s: "The Secret of Tristan Bantam," "Rendez-vous in Bahia," "Sureshot Samba," "The Brazilian Eagle," "So Much for Gentlemen of Fortune," and "The Seagull's Fault."



"**Hugo Pratt** is among the greatest storytellers in all of literature, but what's more, he also draws like a god."
–Milo Manara

SIMON GANE

DECEMBER 3
24 PAGES / FC / M
$2.99

Eisner-nominated **NOWHERE MEN** writer **ERIC STEPHENSON** teams up with red-hot artist **SIMON GANE** for an all-new ongoing series!

We all have advantages over one another, but what if you were capable of things most of us can only imagine? What would you do – and who would you be? A doctor? An athlete? A soldier? A hero?

Everyone has to make a choice about how to use the abilities they're born with... but they're not like us.

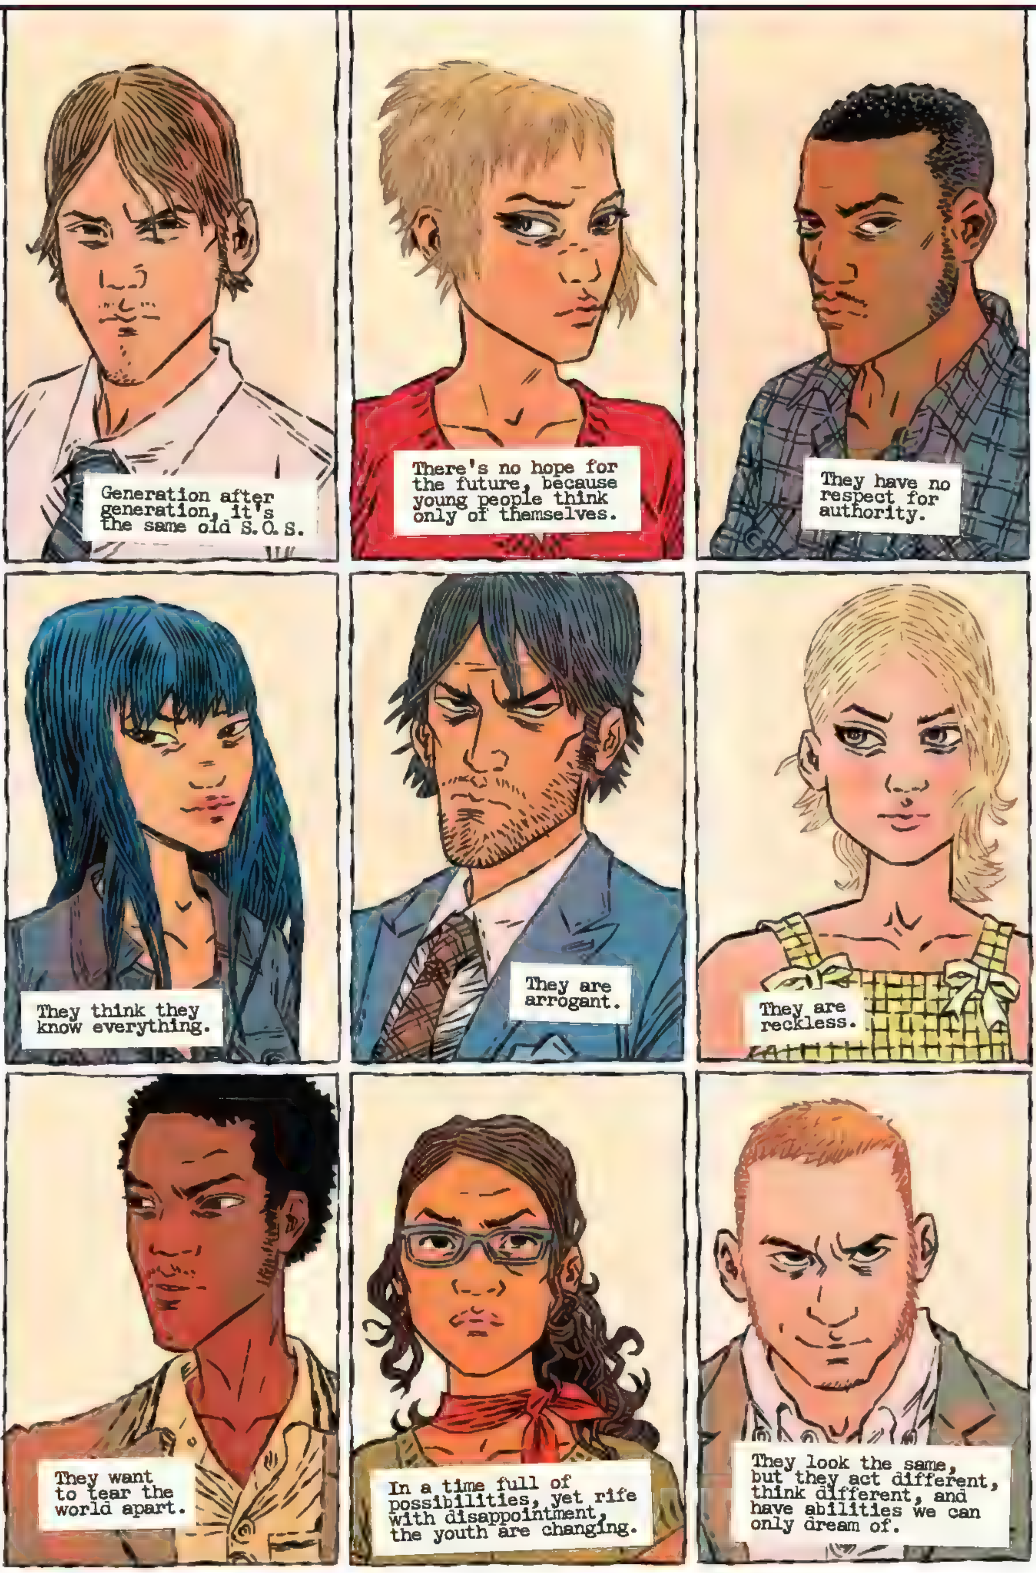
NOT
LIKE US™
THAT GIRL IS GOING TO JUMP.
I: FROM DESPAIR TO WHERE
SPOT LIGHT



Generation after generation, it's the same old S.O.S.
There's no hope for the future, because young people think only of themselves.
They have no respect for authority.
They think they know everything.
They are arrogant.
They are reckless.
They want to tear the world apart.
In a time full of possibilities, yet rife with disappointment, the youth are changing.
They look the same, but they act different, think different, and have abilities we can only dream of.

Grubby Little Smudges

GRUBBY LITTLE SMUDGES OF FILTH GN

(W/A/CA) Daniel Reed

In a land ruled over by a self-indulgent king, a prisoner uses whatever filth is at hand to create a work of great beauty on his cell door. When it is discovered, those who seek to profit from his talents drag the artist through the thorny forests and sterile deserts of the kingdom. Only when he stands before the King himself will we learn of his true nature. In the grand SLG Publishing tradition of introducing new creators and daring new concepts we proudly present Daniel Reed and his cautionary tale about an artist who has created the world's most beautiful piece of art using his own boogers. LEGEND OF THE MANTAMAJI BOOK 2 GN

(W) Eric Dean Seaton
(A/CA) Brandon Palas
In a single week, Elijah Alexander has gone from being a famous and successful ADA in New York, to a hunted, haunted renegade on a mission of vengeance. Because Elijah is the last of a race of ancient warriors called the Mantamaji who once fought the world's greatest evils. And now the greatest evil of all has just reappeared and seeks to destroy the world as we know it. Elijah's the only one who knows how to stop this, and the only one with the power to get it done because it takes a warrior to kill a mystical being. Or four of them. (STK657269)

SOPPY: A LOVE STORY GN

(W/A/CA) Philippa Rice
The wildly popular web comic *Soppy*, with more than half a million notes on Tumblr, is the illustrated love story of author Philippa Rice and her real-life boyfriend. True love isn't always about the big romantic gestures. Sometimes it's about sympathizing with someone whose tea has gone cold or reading together and sharing a quilt. When two people move in together, it soon becomes apparent that the little things mean an awful lot. The throwaway moments in life become meaningful when you spend them in the company of someone you love. *Soppy* captures the universal experience of sharing a life together, and celebrates the beauty of finding romance all around us. Archie's car is trusty; you can always count on it to break down! Jughead suggests that Arch trade in his dead beater at the local used car lot, but the best the dealer can offer him is a battered old scooter! It's walk or ride so Archie has no choice but to take the deal, though he's not so sure about the "coolness" factor of his underpowered two-wheeler. He's not looking forward to his new ride being mocked at school — and he's definitely not looking forward to facing Veronica with his new wheels. Little does he know, Veronica's having some car trouble of her own. Will Archie's scooter prove to be cooler than he anticipated? And whose got the crazier ride Archie or Veronica? (STK657361)

ALAN MOORE ON CROSSED +100

I think that Garth Ennis is one of the finest writers in the medium. I found that actually Crossed was one of the most profoundly moral pieces that I'd read, that it almost became a kind of ethical thought experiment, that it was almost asking, "Which of your values could you hold onto if something as terrible as this happened? What, of the things that are conventionally thought of as making you human, would remain in such a dreadful situation?" And it's a very haunting thought. And very hauntingly portrayed by not only Garth, but also by Si Spurrier's "Wish You Were Here" arc, which is sensational. It's a very compelling idea and I think that as to what the Crossed are to me, the only conclusion that I can come to is they are pretty much the dream-life of contemporary mass audiences. It's their dream-life. We are, as a culture, addictively obsessed with frenetic sex and frenetic violence. And we also link these two things, as if there is a natural connection between them.

Also the fact that they are both things that will get your movie an R-rating or an X-rating. That is, I think, the only connection, and yet we link them. I think it's because they both represent things which contemporary audiences both fear and desire. It is my contention that fear and desire are very often opposite sides of the selfsame coin, that our desire for a thing is often equal to our fear of not achieving it, and vice versa. Our fear of a thing is often the exact sort of counterpoint of our desire for things to be otherwise. The two are intimately connected, and I think that in the case of the Crossed, you have the dream-life of modern society. The thing that we would most dread and yet... and yet... you cannot deny that there is a very visible and prominent urge to that dreadful, apocalyptic kind of erotic and fanatic experience. It's only pretty much what we are rehearsing in most of our action movies and sex movies. The dream-life of us. That's perhaps the most disturbing thing about it. That's perhaps what the Crossed ultimately mean.

But for story purposes, they are a force of nature, a force of the world that has just happened with no real explanation, nor is one necessary, and which humanity has had to deal with. I think that that was what attracted me to the idea. It was during my conversations with Garth, since I was a delighted convert to his Crossed work, that I was just saying the kind of thoughts that Crossed tended to arouse in me. I was thinking, "Yeah, so what would happen to the world? Would it be a universally bad thing, the Crossed outbreak?" And actually, you could say that for 99 percent of the species on the planet, no it would be great. It would make a tremendous difference to the environment because human industry would stop dead. That would not completely halt global warming. We have probably gone too far. We are going to have some warming even if we stopped tomorrow. We are probably going to have dodgy weather for a couple of centuries in my understanding. Because if we had actually stopped back when everyone said we should stop, back in the 70's, then we could have probably averted this.

What kind of human future would there be at all? Would humans all be gone? Once I started thinking about this, I checked all this with Garth, and he thought that it was logical, and it seemed pretty sound. So, that's been part of the thrill of it.

I think people think of Crossed as a horror story, and I can see why. It is extremely horrible. But actually I've always had my problems with genre, and I am coming to the conclusion that genre has really only ever been a convenience, probably invented by some bookshop assistant at W.H. Smiths back in the 19th century. The actuality of it is that if you want to write a successful horror story, there should be all sorts of other elements in there. There should be elements of romance. There should be elements of humor. It's going to be a fairly flavorless blend if you've not got those complimentary and contrasting spices. Now, looking at Crossed, I was actually thinking that this, for my purposes, is a horror story, but it's also a science fiction story. I think that Crossed is actually a science fiction story that has got a really, really high horror quotient. So that was the way that I started approaching it. I was treating Crossed as a "What if?" story, which is the premise of most science fiction. So, I extrapolated on that, which is one of the joys of science fiction—you take an existing situation and extrapolate on it imaginatively. In this case, it wasn't so much an existing situation as a situation that existed in Garth's Crossed stories. That was very interesting because it made me think about all of the different possibilities: the possibilities of humans, the possibilities of the Crossed, the possibilities of animals, the very different world, and the different environment.

I would ask people to look at the way in which we are thinking about every element of this story and just consider what might we think about the Crossed. I think this is going to be a very interesting book for all sorts of reasons.

CROSSED +100 #1

Retail Price: $3.99

Writer: Alan Moore

Covers and Art: Gabriel Andrade

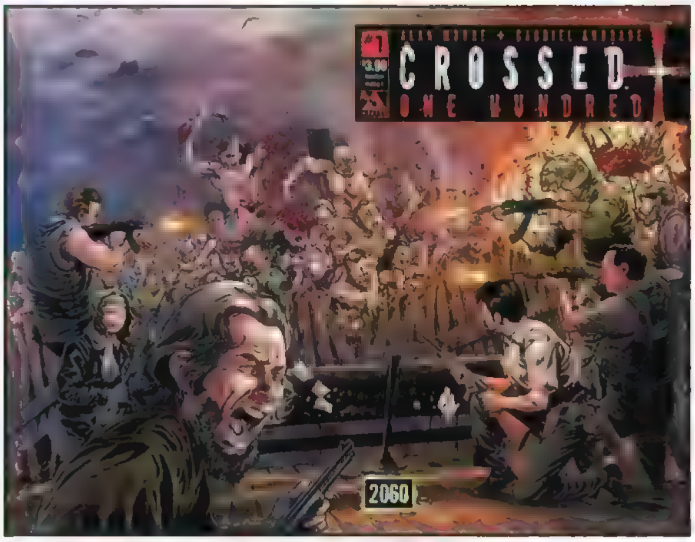
MR, Color, 32 pages, monthly

About: Alan Moore returns to monthly comics in epic fashion with Crossed +100! Set 100 years in the future, Moore has created a whole new world and history with a stunning attention to detail. Examining how civilizations rebuild and how generations grow, Moore weaves a rich tapestry of humanity evolving under extreme hardship, all of which is lushly rendered by Gabriel (Ferals) Andrade. Archivist Future Taylor leads a salvage team working to rebuild the historical record of the original Crossed outbreak. She's see them in videos, but never any live ones, the Crossed are part of the distant past. Until suddenly, a handful appear, and the blood begins to flow. All is not as it seems as a horrific mystery unfolds and once again Alan Moore redefines the medium.

This masterwork is a self-contained whole new world, no prior knowledge of the Crossed series is needed.

All the covers for the series have been planned out by Alan Moore, with the images enriching and expanding on the series. Clues and glimpses of what came before, and what might be, are found throughout the variant covers.

American History X Wraparound - Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture.



American History X Wraparound: **$3.99**

Crossed Culture: **$3.99**

Crossed Culture - These are all images of how the Crossed have changed the way they live. With few humans left to hunt, and the animal kingdom thriving with predators, even the thrill-driven Crossed have had to make adjustments to their lifestyle.

Future Tense - Each cover is a homage to a famous work of science fiction, and each of those original works ties into themes of this issue.

New World Order Wraparound - These are not for the faint of heart or delicate of constitution. We can't even picture them in this catalog, they are visions of what an ideal all-Crossed world would be. If the madmen have their dreams come true, what would everyday life look like? These covers are brutally intense images of true horror and may have scenes of torture, depravity, and nudity. These are clearly for adults only. Each copy of this edition will ship in a sealed polybag with a protective slip cover over the actual image to assure it can be racked in stores. The graphic pictured here is the slip cover only. Due to all these special protective measures this edition is strictly limited to initial orders.

THE SCULPTOR: PX BOOKPLATE EDITION

:01 First Second

David Smith has one dream — to be the best artist, to be the best sculptor. To leave a permanent and lasting mark on not only the art community, but on the lives and memories of his friends, his lover, and society itself. To achieve this goal, he has made a deal with Death. For 200 days he can sculpt anything his heart desires. After that he will die.

This is how we enter Scott McCloud's newest and long-awaited graphic novel *The Sculptor* from :01 First Second. Although the premise has inspired art since the Middle Ages the tortured intellectual and a Faustian pact to succeed at all costs — McCloud's graphic novel is subtler, more sensitive, and truly heart-wrenching. McCloud's attention to the delicate emotions and concerns of 21st-century urban life and culture make this book stunning, beautiful, and important. This is a graphic novel for our time.

As a comics fan, I have always thought of McCloud's playful writing and his clean cartoon style. He is a fun-loving creator who is guaranteed to take me on a high-spirited adventure. I was not prepared for how profound *The Sculptor* would be, how much it would touch upon my own life, and how it would invite personal reflection. I fell in love with the characters, their individual plights, and the story. This isn't just David Smith's struggle for life and death, his quest for social recognition, stability, and a place to call home. This is *our* story.

In this work Scott McCloud has taken his craft to a whole new level. *The Sculptor* is a graphic novel of a whole new caliber. It has the same McCloud lighthearted flavors, but is richer, bolder, and more complex. This is one of the best books I have read in a very long time, and I can say with confidence that it is belongs in everybody's library!

WHY WE LOVE IT

We love giving readers smart and thrilling science fiction books, such as *THE HYPERNATURALS*, *SIX-GUN GORILLA*, and our adaptation of Philip K. Dick's *DO ANDROIDS DREAM OF ELECTRIC SHEEP?*. We continue that tradition with *ETERNAL*, a story where humans can continually make clones of themselves, so death is a thing of the past. We need to know: What does a world like that look like?

WHY YOU'LL LOVE IT

William Harms (*IMPALER*, *INFAMOUS*) is crafting a gripping, sophisticated story about what happens if science completely changes the rules of life itself. This is a story where characters' ethics and loyalties are tested, for society has changed but human failings remain the same.

WHAT IT'S ABOUT

In a world of clones, the Human Liberation Army wants to free people from New Life's grasp. Their leader Gail will take the most drastic, personal measures yet to do so. Rathmann, a former homicide detective turned New Life enforcer, is on the case, and is asking tough questions. Violet, a young girl and one of the few non-cloned humans (Pures, they're called) left, is longing to enter the real world. But she has no idea the danger she is stepping into.

> WHY WE LOVE IT

We can't get enough John Carpenter! It means so much to us to have brought *BIG TROUBLE IN LITTLE CHINA* to comics the right way. The response has been so strong that we knew we had to bring another Carpenter classic to comics in a style and approach that does *ESCAPE FROM NEW YORK* justice.

> WHY YOU'LL LOVE IT

If you already love the *ESCAPE FROM NEW YORK* film, this is a no brainer. But if *ESCAPE FROM NEW YORK* is new to you, writer Christopher Sebela has been garnering high praise for his recent BOOM! Studios original *DEAD LETTERS*, as well as for his Eisner Award-nominated original, *HIGH CRIMES*.

> WHAT IT'S ABOUT

The crime rate in the United States has risen 400 percent. After humiliating the President in front of the world and destroying America's one chance to end World War III, Snake Plissken has become America's Most Wanted man in a land of criminals and the insane. Everyone wants Snake dead. Luckily, Snake knows the feeling all too well. War hero. Outlaw. Renegade. Snake's back!

THE MIDAS FLESH VOL. 1 TP

Certified Cool

STORY: RYAN NORTH

ART: SHELLI PAROLINE & BRADEN LAMB

COVER ART: EMILY PARTRIDGE

$14.99 | 128 PAGES | FULL COLOR

> WHY WE LOVE IT

An edge-of-your-seat, save the universe adventure with two butt kickin' ladies and a dinosaur in a spacesuit? Yes, please! *THE MIDAS FLESH* was the first comic to come from our BOOM! Box imprint, and it's everything we love about quirky comics made "for the love of it."

> WHY YOU'LL LOVE IT

Ryan North *(DINOSAUR COMICS)*, Shelli Paroline, and Braden Lamb have already proven to be an unstoppable team on their award-winning *ADVENTURE TIME* run. Now North's debut original print comic book series will leave the reader reeling from start to gilded finish.

> WHAT IT'S ABOUT

We've all heard of the Midas touch. You know, the Greek myth about the man who did a number on himself by wishing for everything he touched to turn to gold? Well, you haven't heard everything. Joey and her space crew have decided to return to Earth-a planet completely sectioned off, abandoned, and covered in gold-to find out exactly what happened to this once thriving planet and see if they can use that knowledge against the evil empire that's tracking them down. As luck would have it, they just landed the most powerful weapon in the universe: some ancient dead guy's body. Collects issues #1-4.

> WHY WE LOVE IT

You ever think of a story that you'd love to tell, but can't think of a home for them? Well, those stories go to this weird little orphanage for eccentric tales, called *THE MIX TAPE*. We gathered the best of the best, reached out to our favorite artists and storytellers, and created this oversized, deluxe love letter for you.

> WHY YOU'LL LOVE IT

If you're loving ***THE MIDAS FLESH***, ***LUMBERJANES***, ***TEEN DOG***, and ***CYANIDE & HAPPINESS*** and are [illegible] for our comics adaptation of the ***MUNCHKIN*** card game, delve into a world of [illegible] stories: from the wacky to the touching, you'll never know what you're going to get. There's a [illegible], a brand-new ***LUMBERJANES*** story written and drawn by Noelle Stevenson and the first ever ***MUNCHKIN*** [illegible] by John Kovalic.

> WHAT IT'S ABOUT

We reached out to a bunch of our favorite creators with one mission in mind: to bring original, unconventional characters and stories to life. *THE MIX TAPE* is an eclectic collection of stories based on characters that are anything but your average fare. Talking hamburgers, misunderstood ghosts, and punk rock grandmas are just the tip of [illegible] that are best described as "off the beaten track."

ASH… IN… SPACE. My review could end right about there but I'm guessing *Army of Darkness* fans wouldn't mind hearing a bit more. Did I mention the part about space?

The Deadites have set their rotting sights on the International Space Station (because why wouldn't they?) and Ash, the resident expert of all things evil and dead, is always the best man for the job. Sure he may not be a trained astronaut or anything remotely resembling NASA's poster child, but that doesn't stop Ash from b**ch-slapping the same evil that took his girl, his hand, and now his Earth if the Deadites have anything to say about it. The evil of the middle ages meets the rocket age and they've learned a few new tricks.

Cullen Bunn (*The Sixth Gun, Night of the Living Deadpool*) takes Ash to the last place you'd look while the art of Larry Watts only enables his bat-s**t crazy ideas you're going to love every minute of. How does one wield a chainsaw in zero-gravity and not cut their own limbs off? Read along comic fans and find out because, when Ash is involved, someone's limbs will be flying. And I still managed to write this whole review without a cliché *AOD* quote. Groovy!

Who's the black private dick that's a sex machine with all the chicks? Shaft! Created by author Ernest Tidyman, and made famous in a series of novels and films, iconic hero Shaft makes his comic book debut in an all-new adventure. He's gone toe-to-toe with organized crime bosses, stood up to the cops, squared off against kidnappers, and foiled assassination attempts. But who was John Shaft before he became the hardboiled investigator with a reputation as big as New York City itself?

"WORKING ON SHAFT, ONE OF THE MOST ICONIC CHARACTERS IN POP CULTURE, IS A DREAM COME TRUE. I'VE BEEN A FAN OF THE CHARACTER SINCE I WAS A KID, AND ESPECIALLY LOVE HIM IN HIS ORIGINAL ITERATION, AS CREATED BY AUTHOR ERNEST TIDYMAN. MY TAKE ON SHAFT IS STEEPED IN TIDYMAN'S WORK, AND BUILDS ON THE WORLD CREATED IN THE ORIGINAL NOVELS. I'M EXPLORING WHO HE IS AS A MAN, AS A PRIVATE DETECTIVE, AND AS A COLD-BLOODED KILLER. THIS JOHN SHAFT IS MUCH GRITTIER, MORE BADASS, WITH A COMPLEXITY NEVER SEEN IN THE FILMS. THE NAME MAY BE FAMILIAR, AND SOME ASPECTS OF THE CHARACTER MAY BE RECOGNIZABLE, BUT AT THE END OF THE DAY, HE WILL BE SOMETHING NEW AND EXCITING—ESPECIALLY IN THE WORLD OF COMICS. THIS IS SHAFT THE WAY SHAFT WAS MEANT TO BE." – DAVID WALKER

> "ASH IS KIND OF THE ULTIMATE SCREWBALL KNUCKLEHEAD, AND HE REALLY HAS NO BUSINESS BEING THE "CHOSEN ONE" IN THE BATTLE AGAINST ULTIMATE DARKNESS. THAT'S WHAT MAKES HIM SUCH A COMPELLING UNDERDOG. WITH THIS NEW SERIES, WE'RE TAKING THE "FISH OUT OF WATER" STORY LINE TO THE NEXT LEVEL, BECAUSE NOT ONLY IS ASH FIGHTING THE DEADITES, HE'S DOING SO IN THE DEPTHS OF SPACE! WITH SUCH A STRANGE SET-UP, IT MIGHT BE EASY TO THINK THAT THIS IS A BIG DEPARTURE FROM WHAT WE'VE SEEN BEFORE, BUT MY GOAL HAS BEEN TO MAKE THIS "FEEL" VERY MUCH LIKE IT BELONGS IN THE SAME FAMILY AS THE SOURCE MATERIAL, EVEN THOUGH THE SETTING IS SO VASTLY DIFFERENT." – CULLEN BUNN

FC I 136+ pages I $24.99 I Teen+ I 12/3 (C:0-1-2)

A war is raging between the vampire forces of the Red Court and the White Council – a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night.

This graphic novel collects the critically acclaimed five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more!

Better. Stronger. Faster. The original Six Million Dollar Man, Steve Austin, was a man barely alive until the OSI transformed him into the world's first Bionic Man. Now, he and Oscar Goldman are the most effective team in National Security. But a rogue faction in the OSI is making a power play for that position with a new type of infiltration agent - one that is completely obedient and robotic. Fan-favorite classic action figure Maskatron joins the official Six Million Dollar Man original television continuity. Can a soulless machine that wears Steve Austin's very face make the Six Million Dollar Man obsolete? And as Steve's world is threatened from within, his very actions unknowingly release an alien menace upon an unsuspecting world. It's a return to the original 1970s Six Million Dollar Man in all its groovy bionic glory - Da-Na-Na-Na-Na!

But how could you possibly expect less from a creative team that brings superstar writers Matt Kindt (*Unity, Mind MGMT*) and Jeff Lemire (*Underwater Welder, Essex County*), as well as Eisner Award-winning artist Paolo Rivera (*Daredevil*) together! From page one, *The Valiant #1* demonstrates Valiant Entertainment's dedication to putting out some of the best and most entertaining comics on the market today—comics that both longtime and first time readers can pick up and enjoy!

I say first time readers, because this is a big portion of what *The Valiant* is about -- giving new readers the opportunity to dive right into the Valiant Universe without being overwhelmed. Although *The Valiant* follows some of their key characters, Gilad the Eternal Warrior, nanite infected assassin Bloodshot, and the newest protector of Earth, Geomancer Kay McHenry, to name a few, as they fight to eliminate the greatest threat, the "nameless one"—the "immortal enemy"—*The Valiant #1* is the perfect (re) starting point for all readers. Even if you have no idea who these characters are, their backstories, or goals, Matt Kindt and Jeff Lemire effortlessly introduce you to the Valiant Universe while simultaneously adding new dimensions to these characters. Coupled with Paolo Rivera's signature bold, clean-line artwork, *The Valiant* is unlike any project the publisher has done before. This is not your standard superhero fare. This is a dark world of shadows, of eerily unnerving immortal beasts and imminent threats. It blends the supernatural and superhero genres in a new and unique way. This is a Valiant book taken to the next level!

Without a doubt, whether you are an existing Valiant fan or haven't had the chance to pick up their titles yet, if you are looking for a comic — maybe something a little different than the normal superhero fare — this is definitely the series that you will need to read!

ANNA & FROGA: I DUNNO, WHAT DO YOU WANT TO DO? HC

(W/A/CA) Anouk Ricard

Embark on a fresh set of adventures with the hilariously snarky and mischievous heroes of *Anna & Froga*. In each short episode, Anouk Ricard's deceptively simple illustrations harmonize perfectly with the characters' petty, silly, and downright slapstick pranks. Bright colors, astutely observed details, and minimalist linework combine to present a world that is shockingly lively and joyous. Anna, Froga, Ron, Bubu, and Christopher have adventures that rival the best in classic comics. Ricard hits her stride in this second volume of the *Anna & Froga* books, which have found a loving home amongst classic comics connoisseurs, alternative comics fans, and children in North America and Europe alike. ANNA & FROGA: WANT A GUMBALL? HC

(W/A/CA) Anouk Ricard

Anouk Ricard's *Anna & Froga* features the adventures of a little girl named Anna and her gang of animal friends. Anna's best friend is the titular Froga, and they often hang out with Bubu the dog (an aspiring artist), Christopher the gourmand earthworm, and Ron (a practical joker of a cat). With a sly humor, Ricard spins yarns that will delight and entertain the whole family. Ricard works in a fanciful and childlike style, with vibrant colors and simple storylines. The illustrations in Anna and Froga are inviting and the stories well told, employing short, snappy dialogue. Without sacrificing quality, intelligence, or humor, Angouleme Festival-nominated author Ricard is able to write from childhood effectively and charmingly. (STK465487)

EXIT WOUNDS GN

(W/A/CA) Rutu Modan

Set in modern-day Tel Aviv, a young man, Koby Franco, receives an urgent phone call from a female soldier. Learning that his estranged father may have been a victim of a suicide bombing in Hadera, Koby reluctantly joins the soldier in searching for clues. His death would certainly explain his empty apartment and disconnected phone line. As Koby tries to unravel the mystery of his father's death, he finds himself piecing together not only the last few months of his father's life but his entire identity. With thin, precise lines and luscious watercolors, Rutu Modan creates a portrait of modern Israel, a place where sudden death mingles with the slow dissolution of family ties. (STK381712)

PIPPI LONGSTOCKING FIXES EVERYTHING HC

(W) Astrid Lindgren

(A/CA) Ingrid Vang Nyman

The world's most beloved strong-girl fights fires, saves babies, and causes mischief at a tea party. Pippi Longstocking returns to fix everything in the second volume of comics written by the series creator, Astrid Lindgren, and illustrated by the original *Pippi* artist, Ingrid Vang Nyman. It is Pippi's birthday, which means there is a lot of fun to be had! Join Pippi, Annika, and Tommy in their adventures on board a ship, hosting farewell parties, and visiting with Pippi's father, the island king. Bright colors, zany illustrations, and, of course, an irrepressibly joyful, strong-willed heroine: Lindgren and Vang Nyman's brilliant work guarantees that *Pippi Fixes Everything* will become an instant classic for young and old alike. Pippi Moves In marks the first time that the legendary *Pippi Longstocking* comics by famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. (STK474164)

BENSON'S CUCKOOS GN

(W/A/CA) Anouk Ricard

From the author of *Anna & Froga* comes a wry, offbeat whodunnit that centers on office life. Richard thinks he's in luck when he snags a job at the cuckoo clock factory, but things start to go wrong right off the bat. First of all, there's his boss, who doesn't seem to have the strongest grip on reality and has an odd penchant for silly hats. Then there are his coworkers, who are alternately evasive and idiotic when asked about anything pertaining to actually getting work done. Finally, there's Guy, the employee Richard's replacing, who supposedly quit, but whose family has just appeared on national TV pleading for his safe return. It's all adding up to a very strange workplace, and when the company goes on a retreat, everything spools quickly out of control. (STK644325)

JAMILTI AND OTHER STORIES HC

(W/A/CA) Rutu Modan

Jamilti and Other Stories collects the cartoonist's short works, which lead the reader through unexpected turns of plot and unusual character portraits. Some are darkly fantastical and unsettling, such as the unraveling of a serial-killer murder mystery, or her accounts of an infatuated plastic surgeon and his sanitarium, and a mother back from the dead with dubious healing powers. Others are more attuned to surprising discoveries that shape personal identity, as in the story of a tragic past that lies within a family's theme hotel, or that of a struggling musician who hopes an upcoming gig will be his big break. In "Jamilti," Modan addresses political violence with a suicide bombing that shakes up a day in the lives of a young couple. (STK372882)

Winner of the 2014 Eisner Award for Best Graphic Novel. After the death of her son, Regina Segal takes her granddaughter Mica to Warsaw, hoping to reclaim a family property lost during World War II. As they get to know modern Warsaw, Regina is forced to recall difficult things about her past, and Mica begins to wonder if maybe their reasons for coming aren't a little different than her grandmother led her to believe. Rutu Modan offers up a world populated by prickly seniors, smart-alecky public servants, and stubborn women; a world whose realism is expressed alternately in the absurdity of people's behavior, and in the complex consequences of their sacrifices. COPRA: ROUND ONE VOLUME 1 TP

Bergen Street Comics

Rising creator Michel Fiffe's *Copra* is collected by Bergen Street Press, bringing together the first six issues of the super powered, government sanctioned team.

Copra introduces unlikely "heroes" for readers to root for, before slowly picking them apart and setting them against unlikely odds. The comparison to *Suicide Squad* is likely to be made, yet Fiffe goes beyond archetypes and gives an extra kick to his team of mercenaries.

Beginning with the end of a mission to retrieve an empowered skull, this character driven story follows Copra's various members as they struggle to piece their lives together after false accusations send their lives in turmoil. The story alone is wonderful, yet it is the art that will leave your jaw on the floor. The detailed art utilizes unique colorization not often featured in comics, allowing the panels to pop out at the reader with a soft and appealing tone. A separate joy of *Copra* comes from the off-the-wall character designs. Fiffe has no shortage of ideas, skillfully portrayed by the trans-dimensional antagonists.

Truly exemplifying that the medium of comic books comes with an unlimited special effects budget, writer and artist Michel Fiffe masterfully crafts a tale of revenge and intrigue. *Copra: Round One* is the perfect starting point to find the work of a creator that is gaining the attention that he deserves.

BLACK LIGHT: THE WORLD OF L.B. COLE

by L.B. Cole; Introduction by Bill Schelly

$39.99 / SC / 272 pgs / FC / 9.25 x 13.25

L.B. Cole created some of the most bizarre, proto-psychedelic, eye-popping comic book covers of all time during the Golden Age of comics. Remarkably, this is the first retrospective of his career. Cole was famous for his bold covers, usually featuring "poster colors" — brilliant primaries often over black backgrounds — and an over-the-top sense of the bizarre mixed with whimsy. There's never been a comic book cover designer like L.B. Cole and there's never been a book like this one.

RUN LIKE CRAZY RUN LIKE HELL

by Jacques Tardi and Jean-Patrick Manchette; Translated by Doug Headline

$19.99 / HC / 104 pgs / BW / 7.25 x 10.5

After the teeth-rattling one-two punch of *West Coast Blues* and *Like a Sniper Lining Up His Shot*, Jacques Tardi makes a third appointment with ace crime writer Jean-Patrick Manchette for his wildest adaptation yet. A tale of mendacity and heroism, *Run Like Crazy...* is full of moments of pitch-black humor with a strong current of socio-political satire beneath its bleak surface. It's a ride to hell, but a devilishly fun one.

MIRROR, BLACK MIRROR: ART OF CAMILLE ROSE GARCIA HC

(W/A/CA) Camille Rose Garcia

New work chronicling the prolific and life-changing time period of 2007-2011, when Garcia fled LA and moved to a cabin in the Northern California woods. The natural world inspires this work: her themes are disenchantment with modernity and the problems of becoming too removed from the natural world. Garcia's layered, broken narrative paintings of wasteland fairy tales are influenced by William Burroughs' cut-up writings and surrealist film, as well as vintage Disney and Fleischer cartoons, acting as critical commentaries on the failures of capitalist utopias, blending nostalgic pop culture references with a satirical slant on modern society. ANNIHILATOR #4

(W) Grant Morrison
(A/CA) Frazer Irving

Ray Spass' life was a complete mess — a crumbling screenwriting career, a failed love life, an inoperable brain tumor — but that was before his screenplay's fictional hero, deep-space fugitive Max Nomax, showed up in real life, insisting that his tumor contains a universe of secrets. Now, the only way for Ray to save his own life (and our existence) is to extract the information, one chapter at a time. Partnering with his fictional creation, Ray drags his ex, Luna, into their vortex of chaos. As the group faces an unexpected monster, Nomax makes a shocking revelation that endangers everyone involved. (STK656194)

RICK GEARY

A TREASURY 20TH CENTURY MURDER: MADISON SQUARE TRAGEDY HC

(W/A/CA) Rick Geary
Stanford White is one of New York's most famous architects; his influence on New York's look at the turn of the century was pervasive. As he became popular and in demand, he also became quite self-indulgent. He had a taste for budding young showgirls on Broadway, even setting up a private apartment to entertain them in. When he meets Evelyn Nesbit, an exquisite young nymph, cover girl, showgirl, inspiration for Charles Dana Gibson's "The Eternal Question," he knows he's on to something special. However, Evelyn eventually marries a young Pittsburgh decadent heir, setting up the most scandalous murder of the time. (STK620351) (C: 0-0-1)

PANTHEON BOOKS

HERE HC
(W/A/CA) Richard McGuire

Richard McGuire's *Here* is the story of a corner of a room and the events that happened in that space while moving forward and backward in time. The book experiments with formal properties of comics, using multiple panels to convey the different moments in time. A dinosaur from 100,000,000 BCE lumbers by, while a child is playing with a plastic toy that resembles the same dinosaur in the year 1999. Conversations appear to be happening between two people who are centuries apart. Cycles of glaciers transform into marshes, then into forests, then into farmland. A city develops and grows into a suburban sprawl. *Here* is truly a pioneering comic vision. (STK651025) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FRANKENSTEIN

ROY THOMAS PRESENTS DICK BRIEFER'S FRANKENSTEIN: 1948-52 SLIPCASE EDITION
(W) Roy Thomas & Various (A/CA) Dick Briefer
Dick Briefer's *Frankenstein* is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools — humor and horror — Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now, of course! STARS of the MONTH

ALIEN: THE ILLUSTRATED STORY LIMITED SIGNED ARTIST'S EDITION HC

(W) Archie Goodwin
(A/CA) Walter Simonson

SCI-FI FANTASY

Two of comics' greatest talents — Walt Simonson and Archie Goodwin — joined forces to bring Ridley Scott's epic *Alien* to the comic book page, including scenes cut from the final movie! The limited run Artist's Edition presents the story for the very first time in a huge 14" x 17" hardcover. The Artist's Edition also includes never-before-published color try out pages, early sketches and Archie Goodwin's complete annotated script, and an interview with Walt Simonson, providing an in-depth view into the creation of a legendary comic. FLASH GORDON

THE COMPLETE FLASH GORDON LIBRARY VOLUME 1: ON PLANET MONGO HC

(W/A/CA) Alex Raymond

SCI-FI FANTASY

The complete hardcover library of the greatest science fiction hero of all time begins here with all new restorations that will preserve these legendary adventures for generations to come. This is the only *Flash Gordon* collection to collect all the stories in order, starting with the very first strip and including the dailies and Sundays. Starting with revered writer-artist Alex Raymond, this volume collects a treasure trove of stories that sees the arrival of pulp hero Flash Gordon on the planet Mongo and his first encounter with the deadly and malevolent Ming the Merciless! Features an exclusive sketch and foreword by acclaimed comics artist Alex Ross! (STK453613)
HC, 11x10, 192pgs, FC..$39.95

THE SIMON & KIRBY LIBRARY: SCIENCE FICTION HC

(W) Joe Simon & Various
(A/CA) Joe Simon, Jack Kirby

SCI-FI FANTASY

Simon and Kirby's science fiction stories are an unimaginable treasure trove that have remained largely uncollected — until now! Their first collaboration, *Blue Bolt*, was first published in 1940 and changed the way comics were produced. They returned to science fiction in the 1950s, producing Sputnik-era adventures in collaboration with other legendary creators: Al Williamson, Angelo Torres, Reed Crandall, and Wally Wood. This volume presents for the first time in 70 years the first *Blue Bolt* story by Joe Simon and includes an all new introduction by writer and artist Dave Gibbons (*Watchmen*). (STK471399)

STRONG FEMALE PROTAGONIST BOOK 1 GN

(W) Brennan Lee Mulligan
(A/CA) Molly Ostertag
With super strength and invulnerability, Alison Green used to be one of the most powerful superheroes around. Fighting crime with other teenagers under the alter ego Mega Girl was fun until an encounter with Menace, her mind reading arch enemy, showed her evidence of a sinister conspiracy, and suddenly battling giant robots didn't seem so important. Now Alison is going to college and trying to find ways to help the world while still getting to class on time. It's impossible to escape the past, however, and everyone has their own idea of what it means to be a hero. *Strong Female Protagonist* has been published online since 2012, where it attracted a large fan base, and this self-published graphic novel is the result of a successful Kickstarter. THE LEAGUE OF EXTRAORDINARY GENTLEMEN III: CENTURY: THE COMPLETE EDITION HC

(W) Alan Moore (A/CA) Kevin O'Neill
The 19th-century left the division of Military Intelligence commanded by Mina Murray in a state of disrepair. Now it is the early years of a new and unfamiliar century, and forces are emerging that appear to promise ruin for the Murray group, the nation, and indeed the world, even were it to take a hundred years for this apocalyptic threat to come to its disastrous fruition. From the occult parlours and crime-haunted wharfs of 1910, through the criminal, mystical and psychedelic underworlds of 1969 to the financially and culturally desolated streets of 2009, the disintegrating remnants of Miss Murray and her League must combat not only the hidden hand of their undying adversary, but also the ethical and psychological collapse accompanying this new era. ICE: CRITICAL MASS #2

(W) Doug Wagner (A) Daniel Hillyard (CA) Jason Pearson

It's the second day on the job for Cole Matai, but things aren't getting any easier for the new ICE agent. His partner, agent Ezra Delgado, takes him into the mountains of northwest Montana to investigate a drug trafficking case near the Canadian border. While entering the small town of Cedar Creek to meet with the local Sheriff, they are greeted by armed mercenaries. A firefight breaks out and Cole is seriously injured. What have the agents stumbled into and will they survive long enough to stop this new threat? (STK656468)

A battle ten millennia in the making is about to begin...

The Eternal Warrior has protected the Earth for more than 10,000 years. A master of countless weapons and long forgotten martial arts, he is guided by the Geomancers - those who speak for the Earth. During his long watch, the Eternal Warrior has failed three times. Each time, the Geomancer was killed...and a new dark age for humanity began. Each time, he was unable to stop The Immortal Enemy - a monstrous force of nature. A civilization killer. A horror that appears differently each time it arrives...and whose seemingly only purpose is to bring disorder and darkness to the world. Now, the time has come for The Immortal Enemy to return once more. But, this time, the Eternal Warrior will be ready. This time, he has a force greater than any single warrior. This time, he has...THE VALIANT.

An entirely self-contained, new reader friendly comics event spotlighting Bloodshot, Eternal Warrior, Geomancer, and a cast of heroes and villains from across the Valiant Universe, THE VALIANT is a visionary new adventure from three of the greatest creative talents in comics today.

ARE YOU ALICE? VOLUME 7 GN

(W) Ikumi Katagiri (A/CA) Ai Ninomiya
A twist on *Alice's Adventures in Wonderland* in which "Alice" is a boy whose "adventures" more closely resemble a gunfight! It's a very special holiday in Wonderland, the one day a year when everyone can take a break from Alice. In celebration, the Queen of Hearts is throwing a grand bash, and everyone in Wonderland is invited! Everyone except Alice, that is. Outraged when the Hatter abandons him for the festivities amidst reassurances that absolutely no one is bold enough to break the rules and come after him, Alice knows well enough that he'll never be so lucky. But even Alice is surprised when, of all people, the Jack of Hearts attempts to abduct him! Demons and angels collide with a curse in this gothic fantasy that strikes to the core of manga fandom! With spies working on both sides, the third crusade between Angel and Fallen Angel reaches its conclusion. Now that both parties are aware there is a mole in each of their camps, identifying the traitors before the next set of Divine Relics appears is crucial. Reports of disagreement between Satsuki and his allies in Arcana have already given Tsuzuki a chance to make his own negotiations with Arcana and further the distance between them and the Fallen Angel. But if the discord was a ruse, Tsuzuki and his inside man — not to mention the Crusade itself — may be in jeopardy! LOVE AT FOURTEEN VOLUME 1 GN

(W/A/CA) Fuka Mizutani

The second year of junior high, when most students are in the throes of puberty and feeling the pangs of first love. It's no different for Kanata Tanaka and Kazuki Yoshikawa, a girl and a boy who have been friends since elementary school. But even though Kanata and Kazuki are at the same point in life as their classmates, an air of adulthood sets the two apart. Kanata is taller and more attractive than the other girls, but the boys stay away because she seems too mature for them. Kazuki too stands out from the other boys, but the girls are wary of him because he seems like a player. And so, Kanata and Kazuki are thrown together in a charming, bittersweet tale of two very adult students falling in love like the teenagers they are. IS IT WRONG TO TRY TO PICK UP GIRLS IN A DUNGEON? VOLUME 1

(W) Fujino Omori

(A/CA) Suzuhito Yasuda

In Orario, fearless adventurers band together in search of fame and fortune within the monstrous underground labyrinth known as Dungeon. But while riches and renown are incentive enough for most, Bell Cranel, would-be hero extraordinaire, has bigger plans. He wants to pick up girls. Is it wrong to face the perils of Dungeon alone, in a single-member guild blessed by a failed goddess? Maybe. Is it wrong to dream of playing hero to hapless maidens in Dungeon? Maybe not. After one misguided adventure, Bell quickly discovers that anything can happen in the labyrinth — even chance encounters with beautiful women. The only problem? He's the one who winds up the damsel in distress! (STK655522) (C: 1-0-0)

NEW YORK BURLESQUE: PHOTOGRAPHS BY ROY KEMP

(A) Roy Kemp

Roy Kemp's previously unpublished burlesque portfolio presents thirty-nine dancers performing in authentic clubs and backstage settings in 1950s New York. This nostalgic collection includes nearly 250 never-before-seen black and white and color photographs of well-known dancers, including Tempest Storm, Liz O'Leyar, Murine, Rita Gable, and Princess Domay, as well as other sultry performers, quite famous in their heyday. This time capsule depicts live performances and peeps into club dressing rooms, and offers unedited material from pin-up photo sessions. It is a must-have for aspiring dancers, aficionados, or any modern-day guy or gal who appreciates the style and grit of this fabulous art form. (STK655860)

KIRBY
KING OF COMICS
BY MARK EVANIER

KIRBY: KING OF COMICS HC (NEW PRINTING)

(W) Mark Evanier (A/CA) Jack Kirby

Jack Kirby created or co-created some of comic books' most popular characters including Captain America, The X-Men, The Hulk, The Fantastic Four, The Mighty Thor, Darkseid, and The New Gods. More significantly, he created much of the visual language for fantasy and adventure comics. There were comics before Kirby, but for the most part their page layout, graphics, and visual dynamic aped what was being done in syndicated newspaper strips. Almost everything that was different about comic books began in the forties on the drawing table of Jack Kirby. This is his story by one who knew him well, the authorized celebration of the one and only "King of Comics" and his groundbreaking work. A BRIEF GUIDE OF WALT DISNEY

(W) Brian J. Robb

Both a fascinating account of Walt Disney's own significant artistic creations, from the iconic Mickey Mouse to the groundbreaking *Snow White* in 1937, and an insightful history of the hugely successful entertainment behemoth he created, *A Brief History of Walt Disney* explores the man and his creations. But Disney's dark side is also explored: his disputed parentage; industrial disputes, his work for the FBI; and his anti-Communist and allegedly racist and antisemitic views. A fascinating account of Walt Disney's own significant artistic creations and an insightful history of the hugely successful entertainment behemoth he created. NEW LIFE & NEW CIVILIZATIONS EXPLORING STAR TREK COMICS SC

(W) Joseph F Berenato (CA) Patricio Carbajal

Star Trek, with its progressive stance on civil rights, explored not only strange new worlds in the final frontier of space, but also the human condition, revealing the heights to which humans could soar, while exposing the ugliness of racism, sexism, and war. Once deemed a network failure, *Trek* survived to become one of the most influential franchises of all time. Licensed *Star Trek* fiction has played no small part in that success. *Trek* comics have enjoyed almost continuous publication since 1967, spanning more than a thousand issues and storylines to date. *New Life and New Civilizations: Exploring Star Trek Comics* examines the long history of *Star Trek* in the four-color realm, featuring insightful essays from popular *Trek* comic scribes and novelists, as well as other subject-matter experts. DOCTOR WHO: THE EARLY ADVENTURES: AN ORDINARY LIFE AUDIO CD
(W) Matt Fitton (CA) Tom Webster
1950s London: newcomers arrive daily on British shores seeking a fresh start, new opportunities, or simply the chance of a different life However, some are from much further afield than India or Jamaica. After an emergency landing, the TARDIS crew must make the best of it, and look to their new neighbors for help. But the Newman family has more than the prejudices of the time to contend with. A sinister force grows in strength amid the pubs, docks and backstreets of London.
And without the Doctor, marooned in a time and place as alien as anything they've ever encountered, Steven and Sara may well face their greatest challenge yet. To live an ordinary life. (STK657124) (C: 0-1-0)

Sakkrat. Many legends speak of this world, home of an ancient empire destroyed by its own greatest achievement: the Highest Science, the pinnacle of technological discovery. When the TARDIS alerts the Doctor and Bernice to the presence of an enormous temporal fluctuation on a large, green, unremarkable planet, they are not to know of any connection with the legend. But the connection is there, and it will lead them into conflict with the monstrous Chelonians, with their contempt for human parasites; into adventure with a group of youngsters whose musical taste has suddenly become dangerously significant; and will force them to face Sheldukher, the most wanted criminal in the galaxy! (W) Alan Barnes, Mike Maddox (CA) Simon Holub
An exciting one-off adventure pitching the Doctor against his absolutely worst enemy: himself! There is some evil in all of us, even the Doctor. Transported aboard the Time Lords' orbiting courtroom, the Doctor once again encounters the Valeyard, an amalgamation of the darker sides of his nature. This time, however, the Doctor isn't in the dock. This time, the Valeyard is the defendant, accused of a crime so terrible that the presiding Inquisitor is forbidden to reveal it even to the court, nor even to his counsel for the defense, the Doctor. If the Valeyard is found guilty, he'll be executed. Execute the Valeyard, and the secret of his origins dies with him. A secret that the Doctor is desperate to know — and which the Time Lords will stop at nothing to protect! (STK657125) (C: 0-1-0)

THANKS FOR ALL THE NICENESS HC

(W) Norman Reedus

Norman Reedus, made famous by his role on *The Walking Dead*, has become the object of insanely devoted fandom from around the world. *Thanks For All The Niceness* is Norman's way to show his gratitude in a compilation of sometimes hilarious, sometimes sinister, but always fascinating artwork made by his fans. This is not your average display of fan artwork. Created in every thinkable medium, the Norman/Daryl archetype is captured in tattoo designs, cakes, pencil sketches, mosaics, chalk drawings, digital art, and even children sketches from his youngest fans. And Norman's fans aren't your average fans. With over 3,000 submissions from all over the world—Japan, Spain, Mexico, England, Australia, Italy, Hungary, Brazil, Austria, Indonesia, the US—it was no small feat for Norman to select over 100 pieces that will appear in this beautifully designed book. It's real art made by real people for real people. (C: 0-1-1)

PULP HEROES

THE SHADOW DOUBLE NOVEL VOLUME 90

(W) Maxwell Grant & Various (A) Edd Cartier, Paul Orban (CA) George Rozen

The hidden secrets of The Shadow's secret sanctums are finally revealed in two action-packed thrillers by Walter B. Gibson. After the law fails, it's up to The Shadow to track down the hidden mastermind behind the Tiger Mob, a man who may not even exist! Then, a ruthless band of night marauders stalks the blacked-out streets of Manhattan, but only The Shadow knows that a hidden plotter is behind the seemingly unrelated murders! This stunning collector's edition leads off with one of George Rozen's most famous covers and showcases the original interior illustrations by Edd Cartier and Paul Orban. (STK656484)

THE WHISPERER DOUBLE NOVEL VOLUME 7

(W) Laurence Donovan & Various
(A) Paul Orban
(CA) Tom Lovell, John Newton Howitt

Sanctum Books completes its reprinting of the original 1936-37 pulp series by Lawrence Donovan writing as "Clifford Goodrich" that inspired *Batman*'s first supporting character! First, an ingeniously concealed map holds the answer Police Commissioner James Gordon needs to stop flower-festooned serial slayings in "The Death Roses." Then, The Whisperer invades China Hill to smash the weird "Murder Brotherhood." Finally, it's up to The Whisperer to discover why a philosophical Asian was "Afraid to Die" in a novelette by Alan Hathway from the back pages of *The Shadow Magazine!* Plus, Norgil the Magician takes the stage in a magical mystery by The Shadow's Maxwell Grant, plus a classic *Whisperer* graphic story from the Golden Age of Comics! THE 100 GREATEST CONSOLE VIDEO GAMES

100 GREATEST CONSOLE VIDEO GAMES: 1977-1987 HC

(W) Brett Weiss

There have been many top 100 books before, but rarely one like this. Here are the best of the early video games, shown in over 400 color photos and described in incredible detail in the entertaining and informative text. This pivotal period was marked by the introduction of the indispensable Atari 2600, Odyssey2, and Intellivision, the unleashing of the underrated Vectrex, the mind-blowing debut of the next-gen ColecoVision and Atari 5200, plus the rebirth of the industry through Nintendo's legendary juggernaut, the NES. This book celebrates the very best of the interactive entertainment industry's games from this crucial and fondly remembered decade. (STK655496)

SOLOMON KANE

CONAN THE BARBARIAN RETRO 8-INCH ACTION FIGURES

Based on the legendary work of Robert E. Howard, Figures Toy Company's *Conan the Barbarian 8-Inch Action Figures* evoke the spirit and adventure of Howard's classic characters. *Conan the Barbarian* is an exact replica of the original action figure that was released by Mego, while the other two — Puritan swordsman extraordinaire *Solomon Kane* and rival barbarian *Kull the Conqueror* — are Figures Toy Company originals. Each figure includes an authentic cloth outfit and accessories. Each figure comes in resealable plastic clamshell packaging that can be opened and closed without damaging the figure. (STK656258) Scheduled to ship in December 2014. (1996) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

TARZAN RETRO 8-INCH ACTION FIGURES

Edgar Rice Burroughs' Tarzan is one of literature's most recognized characters — the heir of British aristocracy, lost as a child in Africa, and raised by nature to be Lord of the Jungle. Figures Toy Company's Tarzan 8" Action Figures recreate Burroughs' characters in a retro style. Tarzan is an exact copy of the figure released by Mego, while the other three — Jane, Korak, and Meriem — are Figures Toy Company originals. Each figure comes with an authentic cloth outfit and accessories. Comes in resealable plastic clamshell packaging that can be opened and closed without damaging the figure. (STK656257) Scheduled to ship in December 2014. (1996) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

BATMAN (1989 VIDEO GAME APPEARANCE) 7-INCH ACTION FIGURE

To celebrate the 25th anniversary of both the 1989 film that defined Batman for the modern generation and its video game adaptation, NECA announces its first-ever Batman figure in 7" scale! *Batman (1989 Video Game Appearance)* is the sixth figure in NECA's highly successful line of classic 8-bit video game tributes. Following Michael Keaton's iconic portrayal as Batman in the movie, the side-scrolling game was released in late 1989 for NES and is a true '80s classic. Batman stands 7" tall, with over 25 points of articulation for great poses, plus removable cape, Batarang, and Spear Gun accessories. The paint deco takes a stylized approach to reproduce the game's original cel-shaded look. This limited edition figure comes in special window box packaging with opening flap to recreate the look and feel of the classic 1989 video game packaging. (STK655462) Scheduled to ship in December 2014. (6338/61424) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

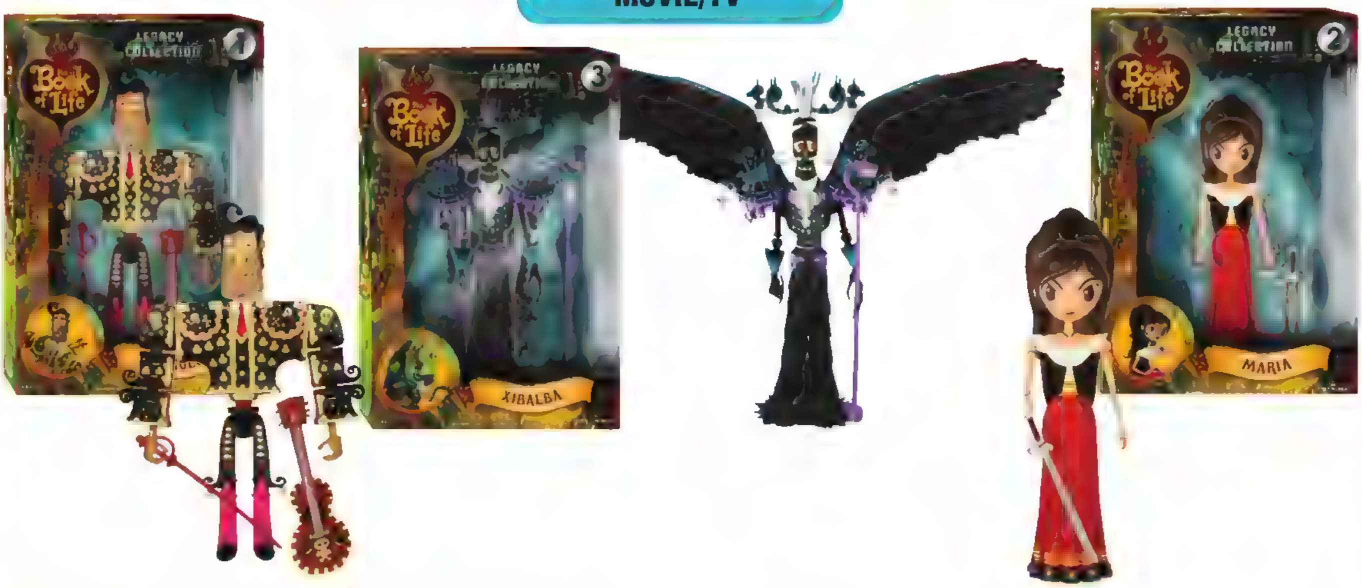
FUNKO POP! ReAction FIGURES LEGACY COLLECTION

MOVIE/TV



LEGACY COLLECTION: THE BOOK OF LIFE ACTION FIGURES
Funko's new *Legacy Collection* figures are a new line of highly articulated action figures celebrating some of pop culture's biggest franchises. *The Book of Life* is a new animated film, produced by Guillermo del Toro, about a young man who wants to win the affections of a young woman and must confront his darkest fears. In the *Book of Life Legacy Action Figure Collection*, collectors will find the protagonist *Manolo*, his crush *Maria*, and the dark spirit *Xibalba*. Each 6" scale action figure will feature over 20 points of articulation and accessories. (STK656696) Scheduled to ship in December 2014. (4552/3966) (C: 1-1-2) **NOTE:** Available US, Canada, Mexico, Brazil, S. Africa, United Arab Emirates, India, and Argentina.

BREAKING BAD: GUS FRING 6-INCH ACTION FIGURE

Gus Fring, the ruthless drug kingpin with the mild-mannered, respectable exterior, joins the line-up of Mezco's *Breaking Bad* figures. A fan-favorite, this 6" scale figure wears one of his trademark suits and his ever-present glasses are removable. Dapper yet subdued, he appears harmless, but make no mistake, ice water flows through his veins and he can kill you without hesitation if you stand in his way. (STK657288) Scheduled to ship in February 2015. (4830/75360) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, Australia, and the U.K.

BUFFY THE VAMPIRE SLAYER: MR. POINTY 12-INCH PLUSH

When slayer Kendra Young gave her prized lucky stake to Buffy, it became the Sunnydale slayer's most cherished implement of vampire destruction as well. Now that weapon can be yours in cuddly plush form from Quantum Mechanix. The *Mr. Pointy Plush* is modeled after the original stake from the television series *Buffy the Vampire Slayer*, and enables you to take charge of vamps (or friends and relatives) with plushy softness. The plush stake measures 12 inches long and is made with a realistic woodgrain fabric specially dyed for QMx. (STK656335) Scheduled to ship in December 2014. (7814/BFY0100) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DAWN OF THE PLANET OF THE APES SERIES 2 ACTION FIGURES

Introducing the second series of detailed action figures from *Dawn of the Planet of the Apes!* In the film, a growing nation of genetically evolved apes led by Caesar is threatened by a band of human survivors of the devastating virus unleashed a decade earlier. They reach a fragile peace, but it proves short-lived, as both sides are brought to the brink of a war that will determine who will emerge as Earth's dominant species. Series 2 includes the truly massive gorilla *Luca*, who comes with interchangeable heads, plus new versions of *Caesar* and *Koba* that feature all-new head sculpts and shotgun and machine gun accessories. The figures stand approximately 6" tall and are entirely authentic to the movie. (STK655478) Scheduled to ship in December 2014. (6338/29033) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

ESCAPE FROM NEW YORK: SNAKE PLISSKIN 8-INCH RETRO ACTION FIGURES

Action figure and action movie fans will both rejoice at NECA's latest offering: a brand new Snake Plissken doll based on the 1981 film *Escape from New York*, and featuring the likeness of actor Kurt Russell! This poseable 8" figure is dressed in fabric clothing similar to the toy lines that helped define the licensed action figure market in the 1970s. Snake wears his iconic camo pants, muscle tee and assault boots and comes with a removable jacket, holster belt, and enough weaponry to take down a small army. Blister card packaging with removable protective clamshell. (STK655475) Scheduled to ship in December 2014. (6338/14914) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

GREMLINS: MOGWAI SERIES 5 ACTION FIGURES

Continuing the ever popular Mogwai series, NECA delves deep into the vaults for this new assortment of cuddly creatures. These are concept Mogwais that were created by Rick Baker Studios for *Gremlins 2: The New Batch*. Over the past 20 years the original puppets have turned up at auction or in the hands of private collectors. NECA gathered all known references to create three of these special Mogwai figures. This series includes *Patches*, *Zoe*, and *Gary*. Each Mogwai is articulated at the ears, neck, shoulders, forearms, wrists and thighs and also features our signature poseable rolling eyeball mechanism. (STK655491) Scheduled to ship in December 2014 (6338/30796) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

PLANET OF THE APES CLASSIC SERIES 2 ACTION FIGURES

NECA's second series of 7" scale action figures from the classic *Planet of the Apes* films brings even more of your favorite characters! Series 2 includes *General Ursus, Dr. Zira,* and an all-new version of *Dr. Zaius*. Based on his appearance in *Beneath the Planet of the Apes*, General Ursus is the commander of the ferocious Gorilla Army, and comes with pistol and holster accessories. From the original 1968 film, brilliant psychologist and veterinarian Dr. Zira comes with notepad and pencil accessories. Also from the original film, the zealous Dr. Zaius is dressed in a long coat and comes with cane and scroll accessories. These fully articulated figures stand approximately 7" tall and are entirely faithful to their original on-screen looks. (STK655480) Scheduled to ship in December 2014. (6338/29996) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

CAPTAIN AMERICA: THE WINTER SOLDIER: CAPTAIN AMERICA ACTION HERO VIGNETTE

From Dragon Models. Dragon Models and DART (Dragon Advanced Research & Technology) are excited to introduce our latest innovation in 3D technology, Marvel "Action Hero Vignettes" in 1/9-scale. A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Additionally, the figures are set in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. Fully colored and textured to the likeness of Chris Evans in *Captain America: The Winter Soldier*, the figure is "plug and display" and requires minimal assembly. (STK657121) Scheduled to ship in January 2015. (2496/38128) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

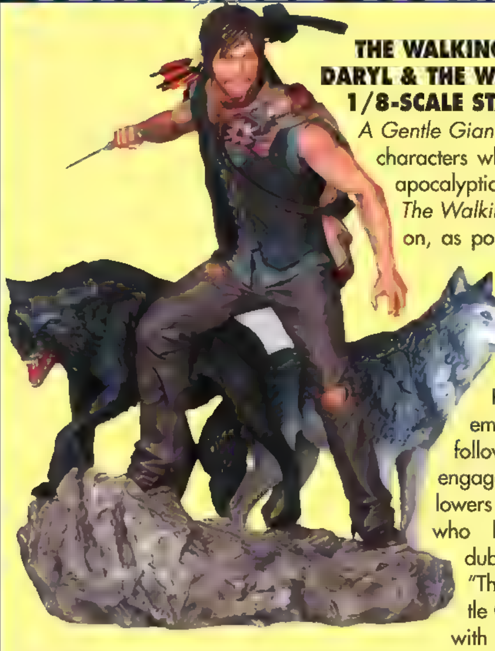
WALKING DEAD

FEATURED ITEM



THE WALKING DEAD: DARYL & THE WOLVES 1/8-SCALE STATUE

A Gentle Giant Release! Of all the characters who inhabit the post-apocalyptic world of AMC's *The Walking Dead*, Daryl Dixon, as portrayed by Norman Reedus, is perhaps the most popular to grace genre television in recent memory. Reedus himself has embraced his huge following and constantly engages with fans and followers across the world, who have affectionately dubbed the anti-hero "The Lone Wolf." Gentle Giant has partnered with Reedus and AMC to create this iconic statue of Daryl Dixon on the hunt, flanked by two wolves, perfectly at home in their natural element together. Reedus explains the idea for the statue comes from his fans, who feel the character of Daryl, and Reedus himself, embody the spirit of the rebel, the survivor, the lone wolf. Standing 10 1/4" tall, the statue comes with a Certificate of Authenticity. (STK656295) Scheduled to ship in June 2015. (5498/80403) (C: 1-1-2)

MARVEL COMICS DEADPOOL X-FORCE ARTFX+ STATUE

X-Force cannot be stopped, and one of its most in famous members is back and looking great! Now that the Avengers lineup is complete, Kotobukiya is expanding its Marv el ARTFX+ line to other mainstream Marvel Comics characters. First up is one of the most popular comic book superheroes in the business in his mutant black ops team costume, **DEADPOOL X-FORCE** ! Formerly a member of the Weapon X program, the "Merc with a Mouth" is a longtime assassin for hire and independent agent who's worked alongside just a bout every superhero and villain from the Avengers to X-Men and everything in between. Now the fourth wall-breaker invades your house with two fantastic new ARTFX+ statues including this one capturing his dark X-Force look! Sculpted by Junnosuke Abe, the same master craftsman behind the Marvel Now Avengers series, X-Force member Deadpool stands 6 inches tall (1/10 th scale) in his deep crouch with perfect stability on his included magnetic display base. Deadpool is of course awesome all on his own, but he also works great with teams and looks fantastic alongside the Avenge rs and other upcoming Marvel ARTFX+ statues from Kotobukiya!

STREET FIGHTER JURI BISHOUJO STATUE

A KOTOBUKIYA Japanese import! Kotobukiya continues its new line of incredible Street Fighter Bishoujo statues, bringing the beautiful and provocative **JURI** to join previously released Chun Li and Cammy! The quick and powerful fighter stands balanced gracefully on one foot, her other leg raised and ready to unleash a devastating, lightning fast kick! Juri looks incredible in a pose that really shows off her physique as well as her unique fighting outfit. That consists of billowing pants with cutout sections, a wide sash belt, unattached sleeves with fingerless gloves, and her distinctive chest harness. All of the clothing matches her iconic color scheme in black and bright purple with white on the pants and skull belt buckle. The detailing on Juri is incredible, with small notes like the threading of the sash, the rivets on her chest piece, the padding and spikes on her gloves, and of course her hair wrapped up into twin cones. Raising one hand to beckon you while the other rests on her hip, Juri looks at you teasingly while sticking out her tongue! Sculpted by Masahiro Takahashi (Gill Gill), Juri stands over 9 ½ inches tall (1/7 scale) on a specially designed display base. Display Juri on her own or alongside other Street Fighter Bishoujo statues like Cammy or Chun-Li!

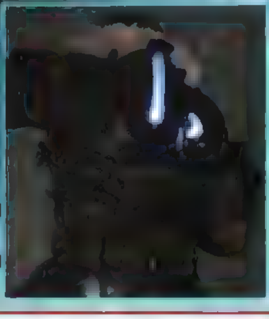
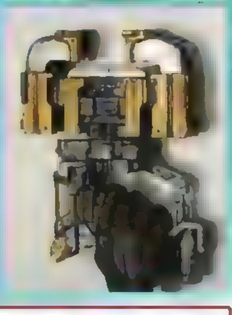
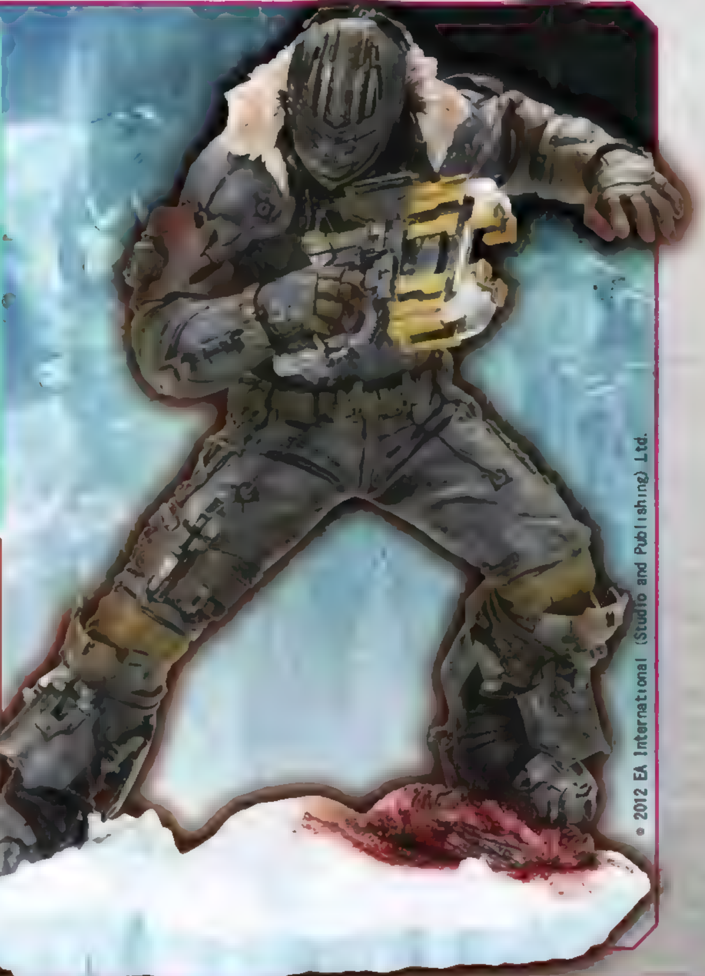
DEAD SPACE 3







DEAD SPACE ISAAC CLARKE - ARTFX STATUE

The next hit video game series to join Kotobukiya's ranks of ARTFX statues is the epic **Dead Space**. The first game was released in 2008, introducing players to the horror/science-fiction setting where you must fight and dismember Necromorphs to stay alive. That game was followed up by a sequel in 2011, and Dead Space 3 is set to release in February 2013. Making his stunning ARTFX debut in his look from that game is the main player character **ISAAC CLARKE**! Isaac wears his iconic Resource Integration Gear suit, complete with slitted facemask, with new alterations for the third game and its arctic setting. The coolest part of Clarke's look has always been the energy glow of his mask and other components, and Kotobukiya has recreated that with LED lights in the statue's helmet, backpack, and glove! There's even a ball-joint in the hero's neck so you can pose him to your liking. Sculpted by MIC, Isaac Clarke stands nearly 12 ½ inches tall (1/6 scale) on an amazing snow terrain display base complete with the bloody remains of the last Necromorph!

THE WIND RISES

From Studio Ghibli/Walt Disney Pictures. Jiro dreams of flying and designing beautiful airplanes, inspired by the famous Italian aeronautical designer Caproni. Nearsighted and unable to be a pilot, Jiro joins a major Japanese engineering company in 1927 and becomes one of the world's most innovative and accomplished airplane designers. The film chronicles much of his life, depicting key historical events, including the Great Kanto Earthquake of 1923, the Great Depression, the tuberculosis epidemic and Japan's plunge into war. Jiro meets and falls in love with Nahoko, and grows and cherishes his friendship with his colleague Honjo. Writer and director Hayao Miyazaki, in his final film, pays tribute to engineer Jiro Horikoshi and author Tatsuo Hori in this epic tale of love, perseverance, and the challenges of living and making choices in a turbulent world. GUARDIANS OF THE GALAXY: GROOT WITH ROCKET RACCOON ACTION HERO VIGNETTE

From Dragon Models. Dragon Models and DART (Dragon Advanced Research & Technology) are excited to introduce our latest innovation in 3D technology, Marvel "Action Hero Vignettes" in 1/9-scale. Pre-painted and with just the snap of a few parts, you can have a highly detailed desktop display of your favorite hero! The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Developed in 3D, using official data from Marvel, the Groot with Rocket Raccoon Action Hero Vignette is highly detailed and accurate, fully colored, and textured to movie likeness. (STK657120) (2496/38131) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

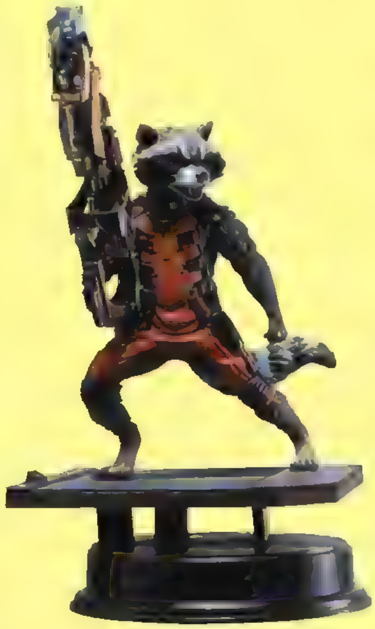
GUARDIANS OF THE GALAXY: ROCKET RACCOON 7" ACTION HERO VIGNETTE



From Dragon Models. A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Rocket Raccoon, at 1/9-scale, stands 7" tall in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. WARHAMMER 40K: AHRIMAN: SORCERER SC

Ahriman, greatest sorcerer of the Thousand Sons and architect of the Rubric that laid his Legion low, continues to walk the path towards salvation, or damnation. Searching for a cure for his Legion, he is forced to consider — was the great ritual somehow flawed from the very beginning? The answer may lie within the mysterious artefact known as the Athenaeum of Kalimakus, a grimoire of forgotten lore which is reputed to contain the exact words of the lost Book of Magnus… or, perhaps, even a transcription of the primarch's deepest and most secret thoughts. In the Pandorax System, on the death world of Pythos, an ancient secret that has laid buried for millennia has been unearthed! Ignorant of this terror, troopers of the Catachan 183rd, stranded on Pythos and under the command of Colonel "Death" Strike, find themselves under attack by the forces of Chaos. Daemons in their thousands flock the sky, and none other than Warmaster Abaddon leads the attack. With the Death Guard and Black Legion arrayed against them, the Catachans appear to be doomed, until salvation arrives in the form of the entire Dark Angels Chapter, led by Master Azrael and a host of heroes. But what is the so-called Damnation Cache? (STK658066) (C: 0-1-2)

AMAGAMI SS: THE COMPLETE SEASON ONE

From Sentai Filmworks. The entire Season One, collected into a single set and available on Blu-Ray for the first time ever! Junichi Tachibana has never been lucky in love, and ever since his date stood him up on Christmas Eve two years ago, he's pretty much given up on the whole idea. However, there are quite a few girls who would all make wonderful partners for Junichi if he would only open his eyes. Could he have struck up a meaningful relationship with any of them if he'd done the right things and said the right words? Well, it's time to find out as Fate steps in and decides to see what would happen if Junichi were to snap out of his funk and take a chance. It's a whole new twist on the idea of love at sixth or seventh sigh, and if one boy and a whole lot of different girlfriends-to-be sounds like a lot of wishful thinking... Well, it is! But wishes have a habit of coming true and the statistical odds are definitely on Junichi's side as the guy without a date's luck with the ladies goes from bad to multi-verse in *Amagami SS: The Complete Collection*! I COULDNT BECOME A HERO: COMPLETE COLLECTION

From Sentai Filmworks. Raul Chaser never wanted to work in retail, but when the war against the Demons ended unexpectedly, the Hero Training Program he was in shut down. But although he's combat-trained, Raul still feels out of place dealing with customers in a department store instead of dealing out death with hardened steel! And his newest coworker's culture shock is even worse than his... Because while Fino Bloodstone is ready, eager and willing to please, she's also the daughter of the now deceased Demon King! So not only are her social skills a little... *challenged*, it will take everything Raul and the staff can muster to teach her the finer points of the human concept of a "pleasant shopping experience"... not to mention when it's proper to wear clothes and whose bed you can and cannot sleep in! And they'll have to do it quickly, because there's a sinister major retail chain moving into the area with plans for global domination! Their job isn't to do or die, it's to make the customers *buy, buy, buy* when the ultimate swords, sorcery and sales counter-attack ensues in *I Couldn't Be A Hero, So I Reluctantly Decided to Get A Job*! My Mental Choices are Completely Interfering with my School Romantic Comedy

MY MENTAL CHOICES: COMPLETE COLLECTION

From Sentai Filmworks. Due to a strange curse called Absolute Choice, Kanade Amakusa's life has turned into a "choose your own adventure" game from Hell! A series of options that seem designed to cause him the maximum possible duress and/or public embarrassment randomly appear in front of him, and if he doesn't choose one he suffers agonizing pain! Needless to say, his resulting bizarre behavior has already branded him as one of his school's five worst social misfits, and things get even weirder when he chooses one of the strangest options yet: *"Have a beautiful girl fall from the sky."* Because not only does the adorable "Chocolat" drop on him like a ton of bricks, but she seems to have been sent to help remove the curse! Only she can't remember how... because she has amnesia! But it has something to do with missions he has to perform, and if he fails to achieve the objective of any of them, he'll be stuck with the curse for life! Natsuyuki Rendezvous

NATSUYUKI RENDEZVOUS: COMPLETE COLLECTION

From Sentai Filmworks. Hazuki may be near-sighted, but he knows true beauty when he sees it and the delicate form of flower shop owner Rokka draws him in like a bee to honey. So, hoping to cultivate a relationship between them, Hazuki takes a part time job at her shop, only to discover two huge thorns preventing the nurturing of any romance. The first, the fact that Rokka is still grieving for her late husband Shimao, would be enough to snip most men's ardor short, but it's the second that really threatens to make Hazuki's forlorn hopes wilt. Because while Shimao is most definitely deceased, he hasn't yet departed and his spirit is still living in Rokka's apartment! Except only Hazuki can see him, which leads to a very strange romantic triangle indeed. Are Hazuki's chances with Rokka as dead as the man who still lives in her house? Or can he somehow make love blossom even though there's an interloper pushing up the daisies between them? One way or another, the ground's going to be rocky and someone or something's likely to get nipped in the bud in *Natsuyuki Rendezvous*! Available in Blu-Ray and DVD formats. (STK657240) (C: 0-1-1)

TARI TARI: COMPLETE COLLECTION

From Sentai Filmworks. The last year of high school is always a time of both looking forward and looking back. Ahead of you lives the future, alternately bright and scary. Behind you lie memories, both happy and sad. And somehow, in the course of one year, you have to reconcile those two and decide where your life is going to go. For Wakana Sakai, who had started studying music, it's time to face the tragedy that made her abandon that path. For Sawa Okita, it's about her dreams of riding professionally. And for Konatsu Miyamoto, it's about bringing her friends together through the magic of song. Can something as simple as the formation of a chorus club really help solve the hurts and pangs that come with growing up? Can music bring people together despite their differences? Join in the chorus, pick up the rhythm and discover the answers in *Tari Tari*! Available in Blu-Ray and DVD formats. (STK657272) (C: 0-1-1)

ZOMBIE LOAN: COMPLETE COLLECTION

From Diskotek Media. What would you do if you could see death? Michiru Kita can see rings around other people's necks, and when those rings turn black, death follows. So when two boys from her class, Chika Akatsuki and Shito Tachibana, show up with black rings around their necks, Michiru doesn't know what to do. She tries to warn them, but they don't need it — because they are the ones death needs to hide from! Neither Chika nor Shito, however, hunt the living dead to be heroes. With a certain loan keeping them alive, they need money to pay back the debt, and when the two zombie slaters learn of Michiru's unique ability, they decide to use her for their own profit and gain. But zombies and debts are the least of their concerns, as both Chika and Shito's pasts may yet catch up to them. And where does Michiru's strange ability come from and what does it all mean? Includes all 13 episodes of the *Zombie Loan* series. (STK657444) (C: 0-1-1)

DEVILMAN
THE COMPLETE TV SERIES

DEVILMAN: THE COMPLETE 1972 TV SERIES

From Diskotek Media. Go Nagai (*Mazinger-Z*, *Getter Robo*, *UFO Robot Grendizer*) created both the classic horror action manga *Devilman* and the first *Devilman* anime TV series simultaneously in 1972. Each spawned over a dozen different spin-offs and remakes since then, but this release features the original 39 episodes of the first television anime series that started it all! Young Akira Fudo and his father are killed on a scientific expedition to the Himilayas, where his lifeless body is possessed by the demon Devilman. Using Akira's form as a disguise, Devilman is sent to cause trouble on Earth in order to pave the way for the demonic invasion. However, Devilman falls in love with Miki Makimura and her tough, no-nonsense ways, distracting him from his demonic mission. When other demons arrive, intent on killing Miki and setting our anti-hero back on mission, Devilman kills them all to protect her! (STK657554) (C: 0-1-1)

JEWEL BEM HUNTER
LIME

JEWEL BEM HUNTER LIME: COMPLETE COLLECTION

From Sentai. The Magic Spheres are incredibly dangerous and powerful magical artifacts, capable of absorbing negative emotions and transforming everyday objects into monstrous B.E.M.s (Bug-Eyed Monsters). So when a demon manages to scatter six of them through the gate between the World of Magic and Earth, someone's got to get them back. Unfortunately, that job falls to master of disguise (and fan-servicey costumes) Lime, the sometimes monstrous and generally lecherous monster hunter Bass, and their ooey-gooey shape-shifting slime companion Poogie — none of whom are probably the best choices for a task of such monumental importance and urgency! On the other hand, the whole situation is sort of their fault to begin with, and while their decision to infiltrate a Japanese High School may seem a bit oddly timed, at least it gets them a new friend in the form of cute-but-clueless schoolgirl, Miyuki! Will this motley band of would-be B.E.M. hunters be up to the task of fingering panty-stealing pocket purses, pinning down living syringes with nastily pointed agendas, and turning up the heat on malevolent candles intent on snuffing out entire cities? The hunt is on in *Jewel BEM Hunter Lime!* (STK657239) (C: 0-1-1)

KITE & KITE: LIBERATOR BLU-RAYS

From Anime Works. She may be cute. She may be young. She may seem innocent and naïve, but don't be fooled — Sawa is a cold-blooded killer! If you're on the wrong side of the law, you may be her next target! Available for the first time on Blu-Ray are the original *Kite*, and its sequel, *Kite: Liberator*. *Kite* follows young Sawa, orphaned following the murder of her parents. Now under the control of her detective guardians, Sawa becomes an assassin whose targets range from alleged rapists to corporate fat cats. But when another assassin, a boy named Oburi, comes between Sawa and her guardians, revenge is sought and Sawa must fight to break free from the cycle of violence! Then, in *Kite: Liberator*, Sawa has disappeared following the events surrounding her discovery of the true identity of her parents' murderer. But the story of a new killer operating in the city, a young girl called the "Angel of Death", draws Sawa out of hiding to follow up on this new assassin's links to her parents' killer, Leading to a fateful — and fatal showdown — with someone she loves! EPISODES 47-92

MAZINGER Z: THE TV SERIES, PART TWO

From Discotek Media. The second part of Go Nagai's beloved super robot series from 1972, newly re-issued for North American fans! *Mazinger Z* is an enormous super robot, constructed with a fictitious metal called "Super-Alloy Z", forged from a new element—Japanium—mined from a reservoir found only in the sediment of Japan's Mt. Fuji. The robot was built by Professor Juzo Kabuto as a secret weapon against the Mechanical Beasts of Dr. Hell, who uses a cache of long-forgotten robot titans from a lost pre-Grecian civilization to bring the world to its knees. Fatally wounded by an assassin's bomb, Kabuto manages to instruct his grandson Kouji about the robot and its use before he does... Kouji becomes the robot's pilot, and from that point on battles both the continuous mechanical monsters, and the sinister henchmen sent by Doctor Hell. Japanese language (with English subtitles). GRINDHOUSE TRAILER CLASSICS VOLUME 1 DVD

From Severin Film Grindhouse cinemas could once be found in the sleaziest and run-down areas of America's grimiest cities. New York's 42nd Street was one of the most famous trash pit hangouts for denizens of the lower depths. From dusk till dawn, the theatres would screen a mind-boggling assortment of movies featuring lashings of sex, gore and violence and, if you were lucky, you'd get all three! For the first time ever on DVD in America, you can sit back and take a twisted trip back to the glory days of the sleazy '60s and '70s for a roaring rampage through a two-hour hand-picked collection of some of the most insane examples of trailer trash, ever to slash and burn their way through a Grindhouse cinema projector! NEKROMANTIC

From Cult Epics. The controversial horror film that shocked the world in 1987, when it was banned in Germany, censored in Japan and simultaneously became a huge underground hit in the U.S., now long out of print. *Nekromantik* tells the story of Rob (Daktari Lorenz) who works at a street-cleaning agency, and spends most of his time cleaning up roadside accidents... and collecting the body parts which he then shares with his girlfriend Betty (Beatrice M.) When Rob presents a complete corpse taken out of a swamp, their undying love reaches its peak. But soon after, Betty begins to prefer the corpse, and leaves Rob, leading to his final, nauseating demise. Cult Epics is proud to release Jorg Buttgereit's horror underground classic in High Definition and with new extras, including Jorg's debut short film *Hot Love* (1985), Director Commentary, Making of Featurette, Still Gallery, and more! SATURDAY THE 14TH

SATURDAY THE 14TH & SATURDAY THE 14TH STRIKES BACK!

From New Horizons. What's in store for a family that disregards a warning in a will and decides to accept their inheritance of a cursed house in Eerie Pennsylvania? The answer is "plenty" as John (Richard Benjamin) and Mary (Paula Prentiss) discover in this suspenseful comedy spoof! A "Book of Evil" has been hidden in the house and when it's opened, it unleashes all the evil in the world. The family is warned that on *"Friday the 13th it gets bad... but on Saturday the 14th it gets worse!"* It's all outrageous fun as John and Mary and their children attempt to exterminate their troubles before their housewarming party just two days away on *Saturday the 14th*! Then things get even wackier in the sequel, *Saturday the 14th Strikes Back!* (STK656870) (C: 0-1-1)

EUROCRIME! DVD

The Italian Cop and Gangster Films That Ruled the '70s

From Cinema Epoch. Eurocrime! is a documentary concerning the violent Italian "poliziotteschi" cinematic movement of the 1970s which, at first glance, seem to be rip-offs of American crime films like *Dirty Harry* or *The Godfather*, but which really address Italian issues like the Sicilian Mafia and red terrorism. Perhaps even more interesting than the films themselves were the rushed methods of production (stars performing their own stunts, stealing shots, no live sound) and the bleed-over between real-life crime and movie crime. Features interviews with Franco Nero, John Saxon, Henry Silva, Luc Merenda, Antonio Sabato, Fred Williamson, Richard Harrison, Chris Mitchum, Enzo Castellari, and many more! (STK656428) (C: 0-1-1)

From Koch International. Get A Life!, William Shatner's comic rallying cry, memorably first exclaimed during a popular *Saturday Night Live* sketch, has been indelibly emblazoned into the collective psyche of Trekkers everywhere. Through the years, the phrase has spurred laughter, anger, controversy, and far more than its fair share of debate. Join William Shatner on a first-person journey of discovery, told with self-deprecating wit, unflagging honesty, and his trademark enthusiasm, as the legendary actor who played Starship Captain James T. Kirk finally come to grips with his past, his fans, their love, and his own intergalactic legacy. (STK656839) (C: 0-1-1)

ISIS RISING: CURSE OF THE LADY MUMMY DVD

From Tomcat Releasing. Raising the dead never looked this good! In ancient Egypt, Isis and Osiris ruled the land. All were happy for the couple except one, Set, a jealous man who killed Osiris in order to take over his kingdom. Isis snuck into Osiris' tomb and tried to raise him from the dead using her black magic. Set caught Isis in the act and had Osiris cut to pieces, with each piece buried in a different part of the land, so Isis could never again raise her husband. Isis vowed to avenge Osiris' death and return with him to rule over all the worlds. Now, six college students take their last course in archeology in anticipation for graduation. Their last assignment is to uncover and document the museum's new acquisitions with their teacher, Professor Shields, and world-renowned Egyptologist, Dr. Nasir. During the night they unwittingly awaken the ancient spirit of Isis and her wrath is unleashed on the group. As students start to disappear one by one, they must band together to stop Isis from raising her dead lover Osiris, his evil army of the dead, and exacting their revenge upon the world! SOUNDTRACKS

Black Emanuelle

BLACK EMANUELLE OST LPS

From Light in the Attic. The legendary Nico Fidenco's score for *Black Emanuelle* is by turns sultry, fun and funky. The sound is sophisticated, groovy, melodically memorable; mixing Latin rythms — in a continuous sexual tension with the exotic images of the beautiful Laura Gemser — and electronic textures that show the influence of early techno masters such as Giorgio Moroder and Kraftwerk. Nico Fidenco's *Black Emanuelle: Orient Reportage* (a.k.a. *Black Emanuelle Goes East*) is one of the seminal soundtracks that will set you on an Italian groove odyssey! (STK657167) (C: 0-1-1)

ASH… IN… SPACE! The Deadites have set their rotting sites on the International Space Station (because why wouldn't they?) and Ash, resident expert of all things evil and dead, is the best man for the job. He may not be a trained astronaut or anything remotely resembling NASA's poster child, but that doesn't stop Ash from slapping the same evil that took his gin, his hand, and now his Earth if the Deadites have anything to say about it. The evil of the Middle Ages meets the Space Age and they've learned a few new tricks.

Cullen Bunn (*The Sixth Gun, Night of the Living Deadpool*) takes Ash to the last place you'd look while the art of Larry Watts only enables the craziest ideas you're going to love every minute of. How does one wield a chainsaw in zero-gravity and not cut his own limbs off? Read along comic fans and find out because, when Ash is involved, someone's limbs will be flying. And I still managed write this whole review without a cliché *AOD* quote. Groovy!

ASSASSINATION CLASSROOM GN

VIZ Media

We have all had our share of bad teachers, but the kids in classroom 3-E at the Kunugigaoka Junior High School drew really the short straws. Their new alien teacher from outer space nicknamed "The Unkillable Teacher" is a force to be reckoned with. After he asserted his dominance on the Earth by shattering the moon he put us all on notice that in one year the Earth was next.

We have but one safety net. For some unfathomable reason this creature of unspeakable power has declared that he would be a teacher in a junior high school and if one of his students assassinates him before the end of the year then Earth will be spared its fate. His unorthodox curriculum? He's going to be teaching his own students how to get the job done.

Will the students succeed and save the Earth? Will they fail and doom the rest of the Earth to be sent to detention in hell after their teacher destroys the planet? Pick up *Assassination Classroom* from VIZ Media this December to find out.

LITTLE NEMO: DREAM ANOTHER DREAM HC

Locust Moon Press

After a successful Kickstarter campaign Locust Moon Press has produced an excellent companion book to the Winsor McKay *Little Nemo* books published by Sunday Press Books and Taschen. *Little Nemo: Dream Another Dream* is a tribute to the work of McKay as well as a showcase for many creators taking advantage of a format from the past and transfusing it with a modern perspective of comic strip storytelling.

The work by such familiar creators such as Gerhard, Mark Buckingham, Paul Pope, P. Craig Russell, Marc Hempel, Mark Wheatley, Bill Sienkiewicz, Carla Speed McNeil, and Charles Vess, among many others, will have you spending days looking at their pages. There were a few artist I wasn't as familiar with and I enjoyed being introduced to their work in this book particularly Yuko Shimizu.

I don't know where in the world you will shelve a book this size as 16 x21 just doesn't fit with the graphic novels. If you have the Sunday press books or any of the IDW Artist edition books then please be sure to add this exceptional book to that collection.

THE VALIANT #1

Valiant Entertainment

Solid writing! Solid artwork! A truly solid first issue! But how could you possibly expect less from a creative team that brings superstar writers Matt Kindt and Jeff Lemire and Eisner Award-winning artist Paolo Rivera together! *The Valiant* demonstrates Valiant Entertainment's dedication to publishing some of today's best and most entertaining comics, comics that both long-time and first time readers can pick up and enjoy!

I say "first time readers" because this is a big portion of what *The Valiant* is about, giving new readers the opportunity to dive into the Valiant Universe without being overwhelmed. Though *The Valiant* follows key characters -- Gilad the Eternal Warrior, nanite infected assassin Bloodshot, and Geomancer Kay McHenry, to name a few -- as they fight to eliminate the greatest threat, the "immortal enemy," *The Valiant* #1 is the perfect (re)starting point for all readers. Coupled with Rivera's signature bold, clean-line artwork, Kindt and Lemire effortlessly introduce you to the Valiant Universe for a project unlike any the publisher has done before. *The Valiant* blends the supernatural and superhero genres in a new and unique way that is not your standard superhero fare. This is a Valiant book taken to the next level!

SQUARRIORS #1

Devil's Due

Assorted Post-Apocalypictic Rodentia. Do I have your attention? Good! Because this summer's blockbuster *Rocket Raccoon* has proven beyond even a whisker of a doubt that the world is ready to embrace, the angriest, fuzziest, and newest woodland warriors on the block: *Squarriors*.

Anticipating a flavor closer to Brian Jacques' *Redwall* series, I was forced to quickly shelve all of my assumptions — this title reads more like *Game of Thrones* than anything about cavorting midsummer mice. Factions, limited resources, distrustful races, and family issues bathe the bracken in blood. "Squarriors" is not just a cute pun about squirrels, it's a not-too-subtle hint that this book promises battle, character death, and a conflict that goes to the core of what makes a man — or in this case, what defines sentience in animals. Are beasts with brains inherently any different than the humans that destroyed the world before them? Can any group successfully make war to accomplish peace? Are ideals and morality promising tools of advancement and the beginnings of civilization or is philosophy just a horrible burden that impedes true instinct and leads to death?

TOM SUTTON'S CREEPY THINGS: CHILLING ARCHIVES OF HORROR HC

IDW Publishing

In the days before comic shops you checked your local drug store, newsstand or local 7-11 spinner racks for whatever comics were out. In those days you might find *Tales to Astonish* or *Tales of the Unexpected*, but in my area you were more likely to find *Timmy the Timid Ghost* and other Charlton's such as *Ghostly Tales*, *Ghost Manor*, *Ghostly Haunts*, and *The Many Ghosts of Dr. Graves*.

In *Tom Sutton's Creepy Things: Chilling Archives of Horror* the best of Tom's work for Charlton is presented in full color. While an assistant for Wally Wood, Tom's art went beyond his mentor's style into something wholly Tom's, which was a mix of expressionism as if channeled through H.P. Lovecraft. Sutton's work was especially creepy, eerie and foreboding.

With stories by Joe Gill and Nick Cuti, both of whom knew how to play to Sutton's strengths, Tom Sutton in the seventies became synonymous with Charlton.

Craig Yoe and IDW with editor Michael Ambrose have a book that is a welcome addition to your book shelves.

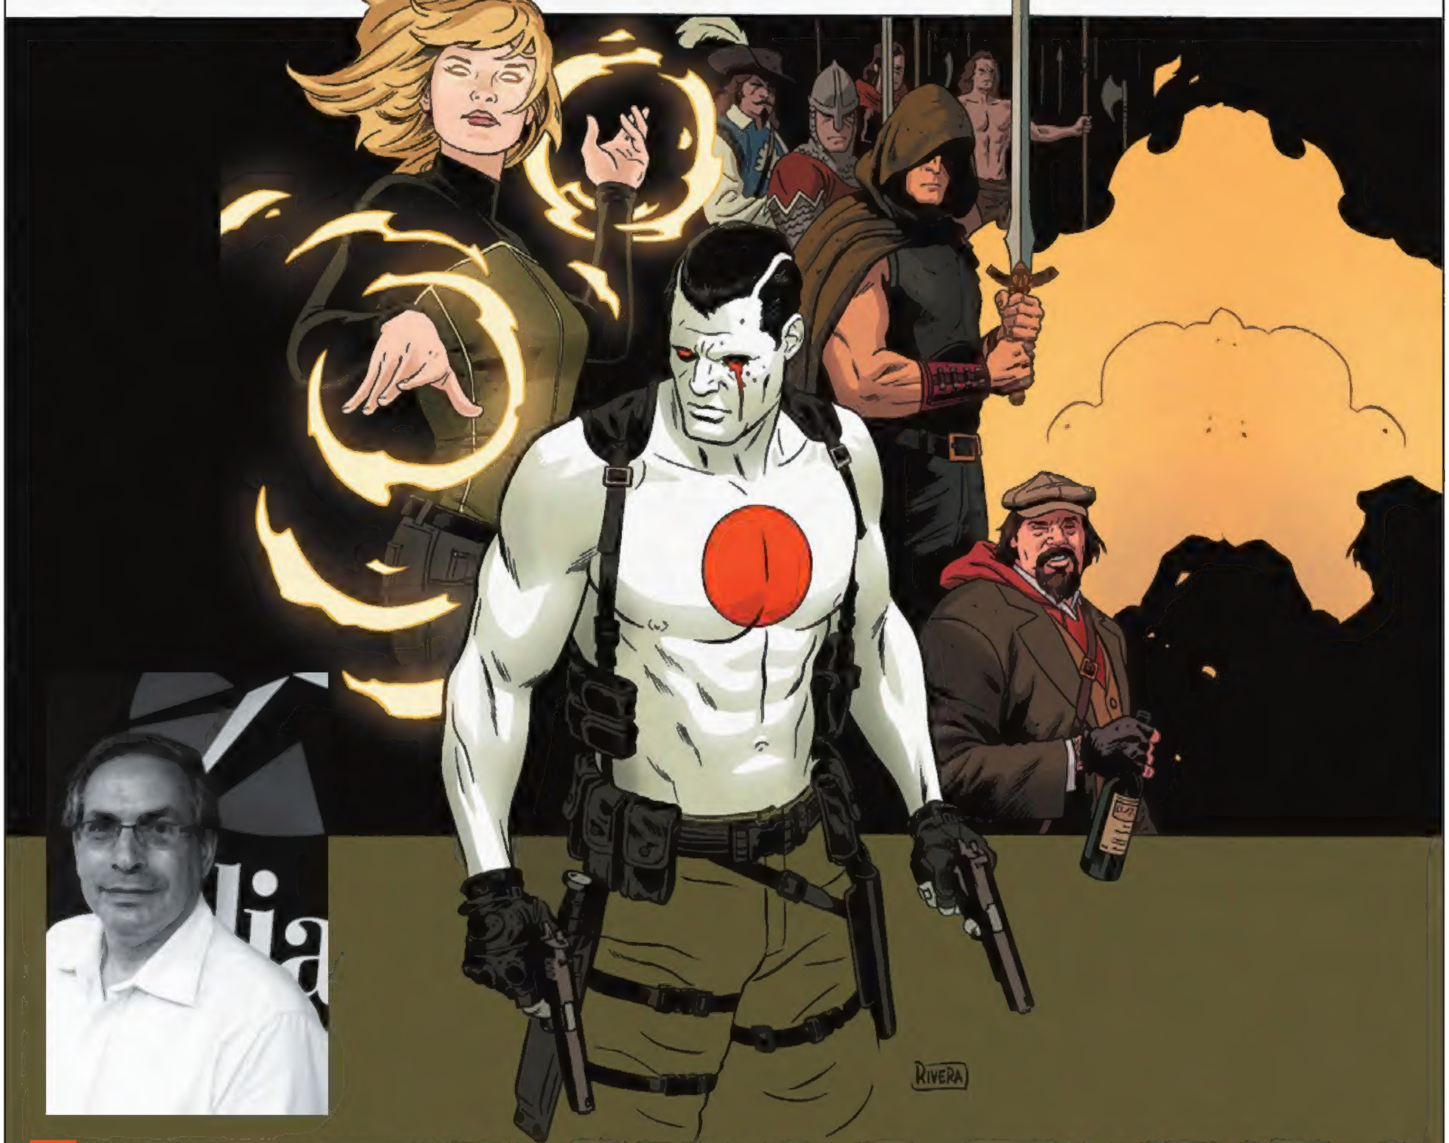
ENTER: THE VALIANT!

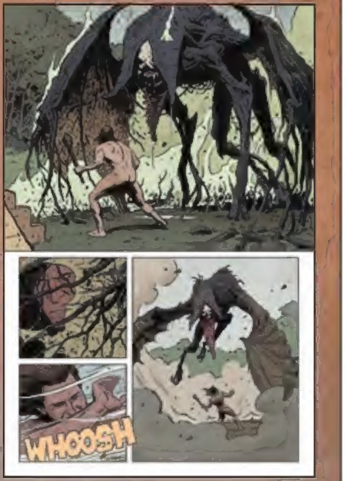


This December, Valiant Comics will launch a new series, steeped in science fiction and fantasy elements; a perfect introductory series to the Valiant Universe of characters. That series is *The Valiant*, and it features many of Valiant's most popular heroes in a story that spans generations, and pits the them against a timeless foe.

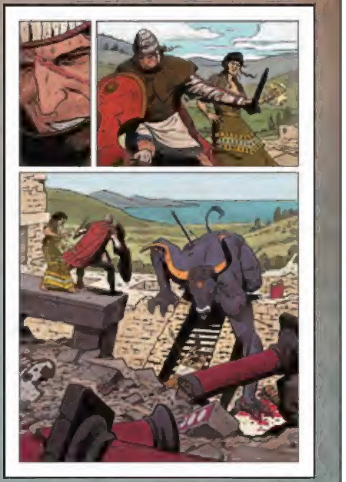
Valiant Publisher Fred Pierce took time out of his always busy schedule to discuss this upcoming series, the story arc it creates, and the far-reaching ramifications it will hold for the Valiant Universe moving into 2015!

***PREVIEWS*: What is THE VALIANT? How is it different than anything Valiant has produced to date?**

Fred Pierce: First and foremost, this is a ground-level entry point to Valiant's entire world of characters from three of the greatest creative talents working in the industry today — Jeff Lemire, Matt Kindt, and Paolo Rivera. The idea that Jeff and Matt hatched — and that is now being beautifully realized on the page by Paolo — is one that will span from pre-history all the way to the modern day, and introduces all of our biggest characters along the way. That journey is presented through the eyes of Bloodshot, the Eternal Warrior, and the newly appointed Geomancer, Kay McHenry. The Eternal Warrior has assembled them to combat a threat he's met three times before — known simply as "The Immortal Enemy" — and one that he's never defeated.



The stakes are high, as each previous defeat has meant not only the death of the Geomancer but the ushering in of a new dark age for mankind. This time, however, he has the ranks of Valiant's most well-known heroes with him. Which is where the name *The Valiant* derives from; It's sweeping, it's action-packed — it's even poignant and more than a little heart-breaking. In scope and tone, it's simply one of the biggest things we've ever set out to accomplish. And the work that's been produced thus far is nothing short of astonishing. This is a series that will undoubtedly have people talking once the first issue arrives in December.

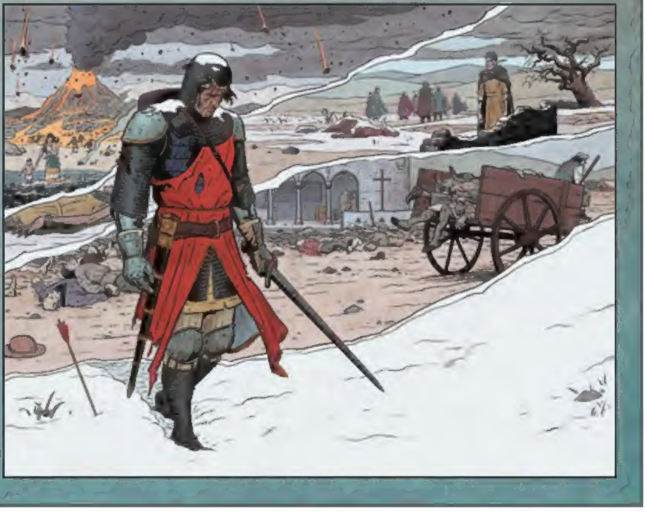


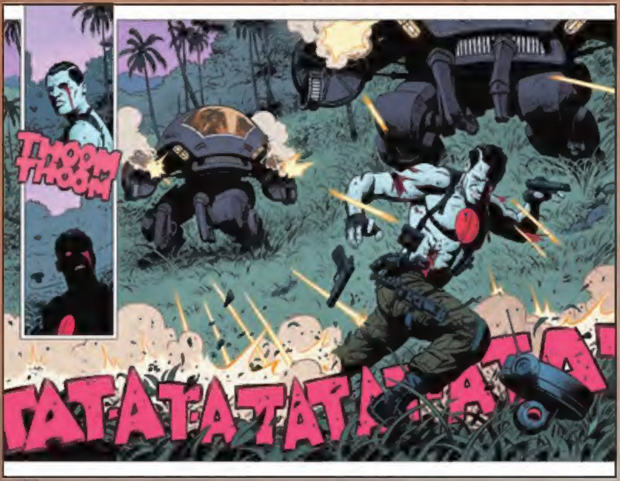
***P*: Getting creators like Matt Kindt, Jeff Lemire, and Paolo Rivera on board for this project is no small feat, and they're names that resonate strongly throughout the comics community. As the publisher of Valiant since the relaunch, what does it mean to have been able to bring such high-profile talent to a project like this?**

FP: It means a great deal and more. The characters and properties are a draw because they have a lot of depth, inherent conflict, and a storied history. With talent the caliber of Jeff, Matt and Paolo, we know that the stories are going to be outstanding. These are three creators that are bringing a huge amount of passion to our characters and, through Matt, Jeff and Paolo, we also hope that a new wave of readers will step into our world as well.

***P*: Since Valiant's re-launch and return, the company has become known for attracting high-level talent. How important is the company-talent relationship you've been able to build over the years?**

FP: Valiant's editorial team — consisting of Warren Simons, Alejandro Arbona, Josh Johns and Kyle Andrukiewicz — is second to none. When creators play in the Valiant Universe they know that they will have the freedom to tell the kind of stories they want to tell. And when we approach talent

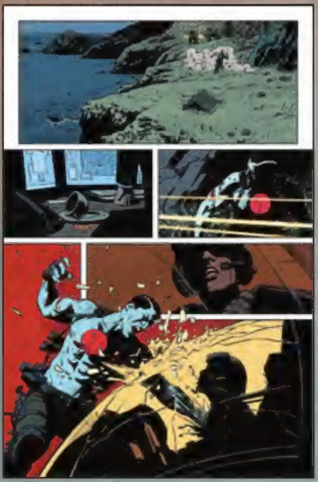




we want to work with, it's specifically because they have a distinct voice and story to tell... we want to hear their stories! Writers and artists love knowing that when they come to work with us, they will have that opportunity.

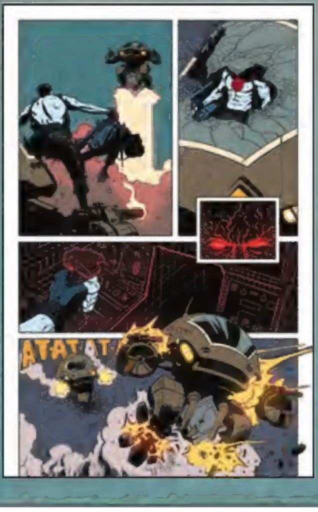
P: Each year we've seen Valiant become more ambitious with its storytelling. From* Harbinger Wars *to* Armor Hunters*, you guys have definitely ramped-up the scale. What have you taken away from the success of those series?

FP: Dinesh Shamdasani, our CEO and Chief Creative Officer, and Editor-in-Chief Warren Simons have made quality storytelling Valiant's number one priority, and that's a principle that has resonated both in the material and with readers around the world. Doing a big event story is risky, no matter how many times you've done them in the past. But each time, our creators and editorial team have gotten together, cracked a big though-provoking idea, ratcheted up the stakes, and paid it off in a big way. The quality of what all the publishers in the industry is doing is so high, that unless you take chances — a lot of chances — you'll be left behind. But we've trusted our talent, we've trusted our team, and we've trusted our characters — and the results have been phenomenal.



P: Now we have* The Valiant*, a title that is said to encompass Valiant's entire cast of characters. This is a universe that is constantly growing and changing. How important is* The Valiant *going to be for the line going forward?

FP: *The Valiant* will absolutely be a catalyst for our line moving forward. In 2015 and beyond, there will be stories being told that have direct ties to the events of this series. The impact the story has on the characters is so powerful that the consequences will be felt in many of the books that come out of *The Valiant*. It's a story that people will be going back to throughout 2015.



***P: Valiant has done a great job of providing titles that are not only easily accessible, but also feed readers into exploring the rest of the line. Are you aiming for a similar effect with* The Valiant?**

FP: *The Valiant* isn't called that by mistake. This is the very definition of a "new reader friendly" series, and it's a perfect introduction to the Valiant Universe. Jeff, Matt, and Paolo have made it their mission to make this series as accessible to all comic book fans as possible. It really is an entry-level primer to these characters. And though it stars Bloodshot and Eternal Warrior, stay tuned because virtually every major Valiant character will be making an appearance along the way. This is a perfect opportunity to jump on board, see what Valiant is doing, and then follow your favorite characters onto new adventures from there.
